## Ohio Escapee Is Captured

Convicted Murderer At Large 24 Years

MEDFORD, Ore. (AP) — On June 15, 1935, the Ohio Highway Patrol added to its wanted list Glenn Landis, a convicted murderer who had escaped from London (Ohio) Prison Farm.

Friday, Landis was arrested here after a routine FBI fingerprint check tripped him up. Ohio officials are slated to leave today to pick him up.

Police Chief Charles Champlin said the slight, gray-haired man of 64 offered no resistance as his 24 years of freedom came to an abrupt halt.

Ohio officials said Landis periled his freedom when he tried to get his military service records. The FBI fingerprint check disclosed he was an escapee.

Landis admitted it was true and waived extradition to Ohio. He had lived here 15 years and had been a part-time employee of the city park department.

Landis was convicted of first-degree murder in Wooster, Ohio,

## Women Voters League Sets Fund Drive

The League of Women Voters of Salem is opening its annual finance campaign Monday. Contributions may be set to Mrs. George McCloskey, treasurer of the local group, 255 N. Roosevelt Ave.

The drive will continue through September. Organized to promote political responsibility through an informed electorate, the League publishes and distributes non-partisan information about candidates and issues.

The League neither supports nor opposes political parties or candidates and only takes a position on issues as a result of thorough study and discussion of the facts, explains Mrs. G. E. Farrington, president.

From a Columbiana County League begun in 1952 with Mrs. C. B. McConor of Salem as president, the unit became the League of Women Voters of Salem and was recognized as a member of the League of Women Voters of the United States in March, 1954, under Mrs. McConor's leadership.

Current officers are: President, Mrs. G. E. Farrington; first vice president, Mrs. T. A. Mercer; second vice president, Mrs. Bryce Kendall; secretary, Mrs. Arthur Merrifield; and treasurer, Mrs. McCloskey.

In five years, the League has, among other things, printed and distributed thousands of candidates bulletins before each election; sponsored the first all-candidates meeting in Salem; published the first and only study of Co-

## Miss America Crowning Set For Tonight

ATLANTIC CITY, N.J. (AP) — A new Miss America will be crowned tonight.

Who she'll be is anyone's guess, but the 54 young women entered in the pageant aren't guessing — they're hoping.

Each is hoping she'll be the one to receive a \$10,000 scholarship and about \$75,000 in personal appearances.

All preliminaries are over, and soon thousands of people will flock into Convention Hall to witness the conclusion of the event. Thousands more across the country will be able to tune it in on television.

Friday night Miss Michigan British-born Ann Penelope Marston of Wyandotte, Mich., won the final preliminary talent award with a display of her prowess in archery.

The swimsuit competition was taken by Miss Wisconsin, Mary Alice Fox of Sheboygan, Wis., who caught the judges' eyes with her trim 35-23-34½ figure, clad in a white bathing costume.

Here are the winners of the talent and swimsuit preliminaries held Wednesday and Thursday nights:

Wednesday—An unprecedented three-way tie climaxed the talent competition. Winners were Miss Pennsylvania, Lois Janet Piercy of Springfield, Pa.; Miss Connecticut, Diana Martha Klug, 21, of Torrington, Conn.; and Miss District of Columbia, Virginia Noble Pailles, 21. The swimsuit competition was won by Miss Washington, Sharon Joyce Vaughn, 21, of Seattle.

Thursday — The talent award was won by Miss Illinois, Suzanne Ingeborg Johnson, 21, of Chicago. Miss New York State, Bonnie Jo Marquis, 19, of Huntington, N.Y., took the swimsuit event.

## Emmanuel Lutheran Project Discussed

Plans to remodel the basement and expand the seating capacity of the Emmanuel Lutheran Church were debated when the executive building committee met Friday evening in the church.

Ronald Whipkey heads the committee which discussed the matter of providing space for a pre-school department with the church pastor, the Rev. Richard Freseman, and the architects, Lewis Martsof and Robert Gross.

Mr. Gross reviewed suggestions formerly submitted by the church group. After further study of the situation, he said, he will draw up plans and submit them for the committee's consideration.

testing center for the county last spring.

Heretofore, county students had to go to Youngstown or Canton, the two closest examination points.

Test dates are Dec. 5, 1959; and March 12 and May 21, 1960, Supt. Nace said.

Two types of tests will be given. One, a scholastic aptitude test, measures the student's intelligence. The other is an achievement test in specific fields, English, foreign languages, etc.

If the student wishes to take all the tests, the cost is \$15. Cost for the scholastic aptitude test alone is \$6.

A student must make application to take the tests and pay the costs in advance with the College Entrance Examination Board, Box 592, Princeton, N.J. When accepted he will receive an admittance card from the testing center which will be his admission card on the testing day.

With the number of college students growing each year, many colleges are requesting applicants to take the "college boards" tests, and they select their freshman enrollment largely on Test results. The student may request that his score be sent to three colleges of his choice. He or his high school are not informed of his score.

Juniors taking the test have an advantage. The high school principal may request their scores from the board at Princeton. If the tests indicate weaknesses, the students will know what to work on in preparation for their tests as seniors, Supt. Nace said.

Letters were sent to all county schools having junior and senior classes, advising them that Lisbon is an examination point for the tests. Test can be given to 50 students on any of the three dates. There is no charge locally.

Cornell P. Monda, school psychologist, will be in charge of giving the tests, Supt. Nace said.

## Town Delays Contract On Sewer Project

WASHINGTONVILLE — The Board of Public Affairs will meet Sept. 15 to decide if they should let the contract for the completion of the halted sanitary sewer program to the A. E. Erickson Co. of Youngstown.

The Youngstown firm was low bidder on the \$200,000 sewer line project. Part of the work has been completed.

The \$141,000 bid was considerably above the village's estimate of \$113,000.

The only other bid submitted when the bids were opened Friday at noon in the office of the village clerk asked \$200,000 to finish the work, Mayor Lloyd Culler said today.

Work must begin before Oct. 1 or the village will lose an \$18,000 federal grant. In addition to the U.S. money, the cost of the program will be paid through special assessment bonds, general obligation bonds and mortgage revenue bonds.

## Gov. Lawrence Denies Charge

Accused of Trying To Unseat Butler

WASHINGTON (AP) — Gov. David L. Lawrence of Pennsylvania denies that he has joined Southern democrats in a try at unseating Paul M. Butler as chairman of the National Democratic Committee.

Butler made the accusation Friday night in a statement that said the school segregation issue is involved.

But in Harrisburg, Pa., Lawrence replied that "it is ridiculous to suggest that I share the views of segregationists."

In fact, he added, it was Butler himself who associated with Southern committee members in the past.

The conflict between Butler and Lawrence could reach a climax next Wednesday, when the National Committee will meet here. Butler said that Lawrence had mailed some committee members the same material being circulated by Southern clamoring for the chairman's removal.

This material, Butler indicated, reproduces memos signed by him in 1954.

In one of the memos, Butler said: "I do not consider the question of segregation a political issue. I see no reason for any chairman of our party at any level to project segregation into our political discussions."

Lawrence, a veteran national committeeman for Pennsylvania, in his statement denied affiliating with the Southern in any attempt to oust Butler.

"Chairman Butler is obviously mistaken," he said. "It was he who was associated with the Southerners in December, 1954, when he was elected national chairman in New Orleans. His signature is on the paper for all to see."

In his statement Friday night, Butler said he was "sorry that Gov. Lawrence did not see fit to discuss this matter with me before circulating it to members of the National Committee."

Butler said he signed the 1954 memos a short time after the Supreme Court had outlawed public school segregation. At that time, the chairman said, integration was not a political issue.

Would Pound Beats In Spare Time

## Subway Police Offer Aid In Teen Crime War

NEW YORK (AP)—The Transit Authority police, who patrol the city subways, have offered to pound beats in their free time, without pay, in an effort to curb the city's teen-age crime wave.

In the two most recent outbreaks of teen-age violence an 18-year-old boy was stabbed in a fight between two groups of youths on Manhattan's lower east side, and a white woman was raped by four young Negroes.

Doctors took 42 stitches to close five superficial knife wounds on the boy's back and he was released from a hospital. Police said the fight broke out early today after

insulting remarks were passed about several girls.

The outbreaks were the latest in a series of teen-age crimes that have claimed 11 lives this year.

The offer Friday from the Transit Authority police, if accepted would add 500 foot patrolmen to the force temporarily. The

# Soviet Scientists Fire Moon Rocket

## Report Makes No Mention Of 'Passenger'

Launching Comes On Eve of Visit to U.S. by Khrushchev

MOSCOW (AP) — The Soviet Union fired another rocket toward the moon today and said it would help open the way to interplanetary flights.

This new rocket was launched into space at 25,162 m.p.h. on the weekend before Premier Nikita Khrushchev makes his heralded visit to the United States.

The announcement of the new launching made no mention of any passenger, not even a dog such as previous Soviet rockets had carried. There had been suggestions in the West that the Soviet might launch a man into space to coincide with Khrushchev's arrival in the United States.

The United States fired a rocket carrying a 13-pound satellite past the moon and into solar orbit last March 2. It sent back clear radio signals from more than 400,000 miles out in space and then went dead four days later.

Today's Soviet moon rocket was the Soviet Union's second attempt. On Jan. 2 the Soviets announced firing a 1½-ton satellite into orbit around the sun. It passed close to the moon. Radio contact with this first Soviet moon shot was lost at 374,000 miles.

Great Political Significance Today's launching had great political significance here.

The announcement electrified this nation, which is preparing an enthusiastic send-off for Premier Khrushchev, who leaves Tuesday for conversations with President Eisenhower.

The rocket's various parts were crammed with scientific instruments designed, among other things, to make studies of the magnetic fields of earth and moon. Soviet scientists appeared confident the shoot will be successful.

The announcement, for which all Moscow Soviet radio programs were interrupted, said: "In accordance with the program for space exploration and preparations for interplanetary flight, the Soviet Union today successfully launched the second space rocket."

To Study Cosmic Space "The rocket has been fired to study the cosmic space en route to the moon."

"It is expected to reach the moon at 12:05 a.m. Moscow time Sept. 14," the announcement said. That is 4:05 p.m. Sunday, Eastern Standard Time. The moon is a target about 2,160 miles in diameter about 240,000 miles away from the earth.

Like the first Soviet cosmic rocket, fired the first of the year, the new one will shoot out of a sodium cloud that should be visible from the earth, the announcement said. But it will not be visible over the United States, the announcement added.

The "shot at the moon" today beat the cosmic time schedule of U.S. scientists, who reportedly

## Cafe Owner, Wife Nab Two Suspects

LISBON — Two area men are expected to have a hearing today before County Judge James L. MacDonald on a charge of breaking and entering the Bar X Tavern on the old Y & O Road, just off Rt. 30, at Rock Camp, Sheriff Russell J. VanFossan reports.

Norman L. Ferguson, 27, of East Liverpool and Dale L. Musser, 22 of Newton Falls were apprehended at 2:45 a.m. today by Claude and Betty Williams, owners of the tavern.

Williams gave this account: He was locking up the tavern when he saw a car drive past slowly. He walked to the porch of his home, which is south of the tavern, and stood and watched. When he saw one man leave the car and approach the building, he went into the house, roused his wife out of bed, and they returned to the tavern.

His wife held a revolver on Ferguson who pretended his car was broke down, while he went into the tavern and got Musser who had forced open a window.

Williams, armed with a rifle, held the two at gunpoint while his wife called the sheriff's department. Deputy Herman Wellman was in the vicinity and arrived at the scene four minutes later. He brought the two men to the county jail.

Sheriff Van Fossan said two black vans were found in the car which belongs to Musser. The men were not armed and there were no guns in the car, he said.

Governors Plan Poll on Presidential Action In Strike

NEW YORK (AP)—Negotiations in the 60-day-old steel strike continued today with increasing indications that the White House may soon take a hand to end the crippling walkout.

The National Governors Conference Friday launched a move intended to bring President Eisenhower into the negotiations.

The President has maintained that he plans no direct action until the national health and safety are threatened. At that point he is expected to invoke the power granted to him under the Taft-Hartley Act and force both sides to resume production for an 80-day period.

Such a move was not expected until next month, but reports are that strike effects are now approaching crippling proportions for the national economy.

Besides the half million steelworkers idled by the strike 175,000 other workers in allied fields have been laid off, and steel inventories, acquired before the strike in anticipation of a shut-down, are reported to be running out. Many small companies are halting production.

This was the background Friday as the National Governors Conference announced it would poll key governors next week on the desirability of seeking a meeting on the matter with President Eisenhower.

Could Spoil Adjournment Plans

## Foreign Aid Bill Up For Senate Action

WASHINGTON (AP)—A mixed brew of civil rights and foreign aid is served up in the Senate today as Congress approaches adjournment.

The controversy swirling about the last major piece of legislation could boil over and spoil plans for an early wrap-up.

But leaders were hopeful that

the lid would not blow off and that Congress could finish its work by Monday.

Three even seemed to be a long shot possibility that the session would end late tonight, as evidence by the decision of the House to meet and stand by to see what happens in the Senate.

Up for Senate action is a \$3,691,269,508 catchall money bill. The great bulk, \$3,281,813,000, is for foreign aid.

Although the foreign aid total is 648 million dollars below President Eisenhower's original request, the big fight was expected over a move to hook a civil rights rider on the appropriations measure.

The rider, strongly opposed by Southern senators, would extend the life of the Civil Rights Commission for two years and give it \$500,000 for the current fiscal year. The commission is scheduled to go out of existence Nov. 9.

Attaching the extension measure to the money bill requires a suspension of a Senate rule barring legislation in an appropriation bill. It takes a two-thirds majority to do this. If attached, the rider could be adopted by a majority vote.

Southerners could filibuster against the move. But they are aware that if they do, they may touch off a drive by civil rights advocates to pass a measure the Southerners would find harder to stomach.

In any event, Southern senators planned to blast new a report by the commission on its investigation of voting rights and of civil rights in the fields of education and housing.

The House was reported ready to act as soon as the Senate passes the money bill. It could either accept the changes made by the Senate or ask a conference to resolve the differences.

Another possible stumbling block is a disagreement over an antiretrogression provision in the foreign aid measure.

A House provision would cut off all foreign aid funds except military assistance if Congress is denied information on how the aid program is being operated. The Senate provision would do the same thing. But it carries a provision that the information may be withheld if the President himself certifies in writing that disclosing the data would be contrary to public interest.

Quick Trial Sought For Five Men In Little Rock Blasts

LITTLE ROCK, Ark. (AP)—Authorities wrapping up the case of three Little Rock bombers said a quick trial would be sought for five accused men.

A possibility of further arrests remained today, but Police Chief Eugene Smith said only "loose ends" had to be gathered up.

Those charged are E. A. Lauderdale Sr., 48, lumber dealer and segregationist leader; J. D. Sims, 35, truck driver; Jesse Raymond Perry, 24, truck driver; John Taylor Coggins, 39, auto salesman; and Samuel Graydon Beavers, 42, a carpenter.

The first three were charged in the dynamite bombing of the Little Rock School Board's offices and a station wagon belonging to Fire Chief Gann Nalley. The other two were charged in a blast at the business office of Mayor Werner Knopp.

No one was hurt in the Labor Day bombings.

Prosecutor J. Frank Holt filed the charges in Pulaski Circuit Court and said he would seek arraignment early next week and trial "as soon as possible."

All the men were placed under \$50,000 bond on a charge of destroying property with explosives, a felony punishable by up to five years imprisonment and \$500 fine. Lauderdale made bond while the others remained in jail.

## Accent Has Shifted

## Methodist Temperance Work Has Taken on New Look

By TOM HENSHAW  
AP Religion Writer  
Methodist temperance work has taken on a new look.

"The accent has shifted from the negative to the positive," says Dr. Caradine R. Hooton, general secretary of the Methodist Board

of Temperance. "The emphasis has gone from legislation to education."

"We recognize that there is a right to drink," he says. "But there also is a right not to drink. We try to set up protections for that right and encourage people to use it."

"We're not waving the prohibition flag anymore. We're just calling attention to the facts and letting them speak for themselves to intelligent people."

The new look is readily apparent in the Methodist Board's plan to conduct a massive, year-long study of the facts of alcoholism to determine the church's attitude and responsibility toward it.

It shows also in the fact that the old "hellfire and brimstone" preaching against alcohol has been replaced by more modern and, it may be said, more pragmatic methods of communication.

One of the Board's most widely shown motion pictures deals with the apparently simple problem: How to refuse a drink gracefully. But the problem is not really simple, says Dr. Hooton.

"Tremendous pressures are being put on people to drink," he says.

Currently, the Board is supporting congressional legislation that would ban the sale of liquor on airplanes and forbid liquor advertising in interstate commerce.

But, if someone proposed a bill to bring back prohibition as it was known during the 1920s, Dr. Hooton doubts whether the Board would support it.

"We would rather see the liquor industry under strict government control," he says. "We'd like to see the profit taken out of it. A business which preys on human weakness is not to be exploited."

**Lutheran Training School Scheduled**  
The 16 Lutheran Churches of Northern Columbiana and Southern Mahoning counties will hold their leadership and training school at St. John's Lutheran Church at Petersburg beginning Monday and continuing for six Mondays through Oct. 19.

The classes will be in session from 7:45 to 10 p.m.

The two-hour courses offered are: "Appreciation of Lutheran Music and Worship" by the Rev. William C. Zimmerman, pastor of Emmanuel Lutheran Church of New Springfield.

"Youth and the Church" by Dewey Bush of Greenford Lutheran Church; "Doctrines of the Lutheran Church and Modern Sects" by the Rev. Donald Rice of St. John's Church.

"The Sunday Church School" by Miss Betty Nordman of St. John's Church; and "Bible Study in the Book of Acts" by the Rev. Carl F. Duwe of Grace Lutheran Church of East Palestine.

## Confident Living

By Dr. NORMAN VINCENT PEALE

### Put Romance Into Your Life

An interesting story is told about about us with appreciation, with Ramsay MacDonald, one-time prime minister of England. He suffered a sad loss when his wife died early in life leaving behind their children for MacDonald to bring up. Her last words to her husband were wise indeed: "Put romance into the lives of our children."

It was a curious last admonition. But certainly, the capacity for romance is one of the most important legacies he could have left her children. Because of a young person becomes responsive to the wonder and glory which is in every aspect of life, it will lift him out of himself, and make him a dynamic part of a wonderful world. The romance of life will sustain him and keep him going with zest and enthusiasm, no matter what.

My own mother taught her children to live with romance. One of the things I remember best about her was that, if my brothers or I ever complained, she would say, "You must learn to love life. You're living in a beautiful world, see as much of it as you can. Love the world and make the most of every minute of your life."

One of her favorite phrases was, "Always keep your soul open to the beauty of the world." I am grateful to my mother for giving me this exciting and romantic attitude toward life.

MY SON JOHN graduated at Deerfield Academy and I got to know Dr. Frank Boyden, its Headmaster, very well indeed. He is a rare soul, one of the greatest educators of boys America ever had. Most every evening he concludes his announcements to the five hundred boys in the big dining hall by saying, "And boys, as you go out, take a look at the hills." Misty-eyed old Deerfield boys will tell you that they found new beauty in the Massachusetts hills at twilight from a wonderful teacher who was trying to put romance into their lives. He knew they would need some wonder and glory in their hearts for the long, and often hard, pull across the years.

I sincerely believe God meant us to be sensitive to the world about us, else why would He have filled it with such charm and beauty? We are supposed to be alive, wholly alive to the tips of our fingers. Jesus said, "I am come that they might have life." Almighty God, who breathed into us the breath of life, surely intends us to get outside ourselves and enter into human relationships and activity.

WELL, I'D NEVER been through that particular area and I decided to drive so as to see the lakes. And I'm glad I did. For what I saw and felt added to the romance of living for me. Some friends and I started out early on a beautiful morning. Spring hadn't quite come yet, but there was already unmistakable trace of it in the air and on the land. And I've never seen so many lakes in all my life and of such depth of color. I began to understand why they call this part of our country, "The land of the sky-blue water."

Circling the lakes were tall pine trees—and poplar and birch and aspen. Above, a great, clear, blue sky with patches of fleecy clouds—sometimes these clouds were reflected in the green-blue lakes, as in a painting. As I drank in all this beauty, the trees and the lakes and the sky, I thought of Ralph Waldo Emerson's words, "The sky is the daily bread of the soul." I felt clean and refreshed from communing with that tremendous countryside, and I have never regretted my decision to see that "bunch of lakes."

WELL, NOW HOW ABOUT YOU? Are you putting romance into your life in full measure? Do you get a big thrill out of the world about you and the people you know? Do you feel a real zest for life, for your surroundings, for your work? Or are you, perhaps,

too preoccupied and worried with your problems?

You know, even problems can take on new meaning for you if you take them in the right way. Life would be empty of the delight of achievement if there were no problems. Tom Paine, in the days of Valley Forge, put it this way: "These are the times that try men's souls. . . the harder the conflict, the more glorious the triumph. What we obtain too cheap, we esteem too lightly; 'tis dear-ness only that gives everything its value."

So try being wholly alive in everything you undertake, in solving a particular problem, in your daily relationships with others, you everyday living and work. Put spirit into your life—and zest. And, above all, put romance into your life. It will make living different, wonderfully different.

*Your favorite food store is getting ready to give you something "extra"*

## BETTER MEALS BUILD BETTER FAMILIES

BEGINNING MONDAY, SEPTEMBER 14 and continuing through Saturday, September 26, you'll be seeing this symbol and phrase, "Better Meals Build Better Families." You'll see it displayed in your daily newspaper and in your favorite food stores. It's the sign of "extra" values for food customers.

This symbol identifies a concerted movement backed by food manufacturers, distributors, retailers and their trade associations and your daily newspapers. One of the main purposes of this movement is to emphasize to you, the consumer, the importance of food and regular meals in your family life.

Because food is such an everyday item and because it is so convenient to buy, we are likely to overlook its values and nutritional qualities. Therefore, during September 14-26, you'll be reminded through advertisements in your newspaper and displays in your local food stores of the great benefits that food brings you today.

Remember, *better meals build better families*. Keep this thought in mind as you plan and shop for the food for your meals in the advertising and feature pages of your "Total Selling" medium—your daily newspaper.

# THE SALEM NEWS

## To Them It's Only Money

Congress finally has broken President Eisenhower's record of never having had a bill passed over his veto.

The smell of pork in that \$1,185,309,093 public works money bill was too much to resist. Congressmen who had a whiff of something cooking in their districts and states couldn't withstand it.

To them it's only money.

They do not have to earn it in the sense that ordinary taxpayers earn their money. Congressmen have all kinds of little allowances for this, that and the other, including part of their income that cannot be taxed at all, to insulate them against the shock of high taxes.

For instance, when they want a new office building, which is something the Senate has given itself recently, they think nothing of spending a small fortune per senator to get it. Representatives soon will be doing the same thing. It's only money. No one else has the same privilege.

They go where they please, spend what they please and report what they spent if they please. It's a state of mind that the people's legislators get into—a condition of euphoria that can be compared with what happened to the mythological lotus-eaters.

## Everything But The Truth

If all the things being said about New York City's worse-than-usual outbreak of juvenile terror were printed and bound in a book, everything would be found in the collection but the harsh truth.

It is not because too many Puerto Ricans have been dumped into the city on top of too many Negroes and poorly housed whites that New York has a fearful problem.

It is not because the children of these families reflect the distress and inadequacy of their parents when husbands desert wives and both husbands and wives desert their children.

Nor is it because teeming hordes of low-income people are victimized by dope peddlers, rapacious landlords, bad sociological conditions, poor health and overcrowding.

These are symptoms of what is wrong at the root of the nation's largest city.

The elemental cause is the existence of the city, itself, which simply is unable to cope with its own unmanageable size in all the manifestations of its municipal giantism.

The New York police commissioner has contended for years that he needs 28,000 policemen to give New York residents reasonable security. He has been authorized to

## War Against Smut

In an effort to draw maximum public attention to the menace of the obscene literature which is being mailed to school-age children, the Post Office Department has renewed its plea for public cooperation to help stamp out the nation-wide racket which is netting millions of dollars for the mail-order purveyors of the "pornographic sewage."

Postmaster O. C. Hoover points out that parents into whose homes obscene material is mailed can help most by sending or taking the material, including the envelope in which it came, to the local postmaster in their community.

Prosecution against the sender then can be started under a new law passed by Congress, aimed at putting behind prison bars these merchandisers of lewd literature. Heretofore, the offenders could be prosecuted only at the point of origin.

It would seem only natural that aroused citizens should cooperate fully with the Post Office Department's commendable campaign against smut. Sociologists and psychologists point out that exposure of children to pornographic pictures and literature may often lead to sexual aberrations.

The same damage can be inflicted by the countless books which lay exposed on the shelves of newsstands, yet nothing has been done about this on a local level. It can all be branded as filth.

## Once Over

A big Madison ave firm is reported retained by the Democrats to handle the 1960 White House campaign. Selling a candidate to a party is no regarded as calling for the same routines as selling a cigarette, beer, gasoline or other products.

Our Suggestion No. 1 for Mr. Butler's appeal to people is, "Are you voting more and enjoying it less?"

Other suggestions:

Be sociable; have a Kennedy.

It's what's up the Potomac front that counts. Relief is just a voting booth away.

Back to the New Deal! it's activated.

The party with the cooked-in flavor.

Has a thinking man's filter; a voting man's taste.

Buy that forward look now; pay later.

To relieve pain gently take a Humphrey.

Ask for the new 1960 platform with front control, new chassis and gleaming brass legs.

Switch to giant moo-lah.

Stops bad cuts. Insist upon the Donkey trademark.

HARRY TRUMAN will appear with Jack Benny on a TV show next month. This clinches Jack's place in history but what does it do to an ex-president's position?

Jackie Gleason is in the musical-comedy version of "Ah Wilderness." Gleason has such a wide audience to draw from on strength of his TV routines that our suggestion for a box office title would be "Ah, One of These Day," or "Wilderness, You Wanna Trip to the Moon?"

With the lotus-eaters, it was the fragrance and the taste of a delightful fruit. With congressmen it is the smell of pork that throws them into a trance. The only surprising thing about their condition in 1959 is that they fought it so long before they finally jumped into the pork barrel feet-first and began to gorge.

Republicans, who like pork as well as anybody else, tried to keep it from happening, but there weren't enough of them. Their aim was to keep the spenders from running hog-wild and piling up further deficits, but the spenders always have a mind of their own—a single-mindedness that holds money to be made for spending, not for earning.

If any doubt remained about the big domestic issue next year when presidential politics gets hot, it is gone. It will be savers vs. spenders. It will be Republican budget-balancers against Democratic budget-unbalancers. It will be financial responsibility vs. financial irresponsibility, an issue in which all money earners and taxpayers are beginning to have a lively interest.

Their stake is the future value of their savings, if spenders cannot be weaned off public pork in massive dosages.

hire no more than 24,508, and at present is 1,074 short of this minimum quota.

No other city has even approached the scale of public housing and housing underwritten by the federal government. But in spite of this effort to reduce the total impact of slum living conditions, the city's crime rate has been rising. Less than one-fourth of its inhabitants account for more than three-fourths of its crime.

These people are simply not up to the challenge of living and rearing children in an environment that is wholly unsuitable. No New Yorker will grasp that nettle and press it to the municipal bosom, but the admission is implicit in every move made to correct juvenile delinquency. The moves have one common denominator — to minimize the disadvantages of growing up in a place where a juvenile is beset by every conceivable disadvantage.

## Traffic Diversion

With the S. Ellsworth Ave. resurfacing completed, it is an opportune time for city officials to give serious consideration to the diversion of the Route 45 traffic from S. Lincoln Ave. to Ellsworth.

This would tie in naturally with the half-completed Pidgeon Road south bypass.

Until such time as the bypass is extended westward, as is planned by the State Highway Department, heavy trucks, at least, could be routed across the Pidgeon Road to Ellsworth Ave. and thereby avoiding residential S. Lincoln. The pavement there has taken a beating from heavy traffic.

It's something for City Council to consider while pressing for an early completion of the south bypass. Unless Council keeps on the Highway Department's toes that project is not likely to be completed for years to come.

## Clearing the Dockets

Legal processes are time-consuming and frequently the court dockets are crowded with cases pending. It is interesting to note, however, that hearings and disposition of cases in Columbiana County's two common pleas courts have gained in at least four months during the year.

Although there were 929 cases pending as of July 1, for example, the courts disposed of 284 cases during that month. Similar gains were made in January, February and April, despite the fact that new actions constantly are being filed.

It is apparent, as the September term of court prepares to open, that Judges Joel H. Sharp and Raymond Buzzard are mixing judicial wisdom with the right degree of legal proficiency.

Until the War Between the States, all U. S. paper money was issued by banks. When a person borrowed money from a bank he received it in the form of bank notes — simply promises by the bank to pay a stated sum to the holder of the note. State and local banks often lent more money than conditions warranted. A severe panic in 1857 resulted from the overissue of bank notes. In 1863, national banks, to issue national bank notes as paper money, were established.

Mrs. Gerald G. Durham

## Winn-Durham Nuptials Held In Damascus Friends Church

The sanctuary of the First Friends Church in Damascus was the setting for the Friday evening wedding of Miss Janet Mae Winn and Gerald Glenn Durham.

Miss Winn is the daughter of

Mrs. Virginia Winn of RD 2, Beloit and the late Charles Winn. Mr. Durham is the son of the Rev. and Mrs. Herbert Durham of Summerfield.

The Rev. Durham, who is pastor of the Summerfield Methodist Church, officiated at the double ring service, assisted by the pastor, the Rev. Edward Escolme.

Frank Winn of Alliance escorted his granddaughter to the altar which was enhanced with baskets of gladioli, candelabra and palms. "Because," "Wedding Prayer" and "Whither Thou Goest" were sung by Donovan Winn of Winona, uncle of the bride. The organist was Mrs. Winston Smith of Canton. A gown of white Chantilly lace over taffeta was worn by the bride. It was fashioned with a scalloped neckline, long sleeves and a floor-length skirt which ended in a brush train.

Her elbow-length veil of tulle was caught to a tulle bonnet trimmed with orange blossoms. Her lace covered white Bible was topped with a gardenia and baby mums.

Miss Sandra Clapper of Canton, cousin of the bride, was the maid of honor. She was attired in a gown of peacock duchess satin, created with a shawl collar and a

short full skirt. Her headpiece and shoes matched her gown. She carried a colonial bouquet of yellow chrysanthemums and baby mums.

The flower girl, Deborah Ewing of Salem, wore a peacock-colored dress similar to that worn by Miss Clapper. Her floral bouquet was the same as the maid of honor's.

Twin brothers, Steve and Stewart Smith of Canton, were the ring bearers.

The best man was William Watts of Marietta. The ushers were Robert Winn of Beloit, brother of the bride, Robert Durham of Summerfield, brother of the bridegroom, and Gene Beck of Canton.

Black accessories and white carnation corsages complemented the ensembles worn by the mothers of the couple. Mrs. Winn chose a dark green print sheath, while Mrs. Durham wore a turquoise print dress.

The newlyweds were greeted by 150 guests at the reception in the church social room. A white linen cloth covered the bride's table which was centered with a three-tiered wedding cake, encircled with ivy.

Mrs. William Watts of Marietta, Mrs. Carlan Walters of Canton, Miss Jean Pim of Salem and Miss Sue Stanley and Mrs. James Griffith of Damascus served the guests from Summerfield, Marietta, Canton, Salem, Alliance and Los Angeles, Calif.

A 1953 graduate of Goshen Union High School, Mrs. Durham attended Malone College in Canton and is employed by the Alliance National City Bank. Mr. Durham graduated from Fairmount, W. Va. High School in 1956 and is a student at Malone College.

For her undisclosed wedding trip, the bride wore a brown print dress with matching accessories. Upon their return, they will reside at RD 1, Beloit.

Mrs. Frank Denny and daughter, Louise, were hostesses at the rehearsal dinner at their home at RD, Salem.

## Patricia Reed Married to Richard Smith

Miss Patricia Ann Reed, daughter of Mr. and Mrs. Matthew Reed of Canfield, and Richard Lee Smith, son of Mr. and Mrs. A. P. Smith of Barborton, were united in marriage Sept. 5 at St. Paul Catholic Church.

The Rev. Fr. J. Richard Gaffney was celebrant for the Mass.

The bride was gown in Chantilly lace over net with a bouffant tiered skirt. A crown held her fingertip illusion veil.

The maid of honor was Miss Arlene Laco who was attired in a ballerina length gown of yellow silk organza over taffeta.

Miss Sue Reddrop and Miss Carole Jean White, a cousin of the bride, were the bridesmaids. Their

LOOSE LOOK—With dress fashions always in the news, music satirist Anna Russell displays a loose-fitting Hawaiian dress on the Thames Embankment in London.

Gowns were green and lilac organza, respectively. They carried colonial bouquets tinted to match their dresses.

William Smith was his brother's best man. The ushers were Richard Killron and John L. Smith, cousins of the bridegroom.

After a honeymoon in the Pocono Mountains, Mr. and Mrs. Smith will reside in Kent, where Mr. Smith will begin his senior year at Kent State University.

## Lisbon GOP Arranges Party For Oct. 17

LISBON — A mid-county Republican harvest party will be held Saturday night, Oct. 17, at the American Legion Hall.

Cards and dancing will be the diversion, according to Mrs. Glen Dixon, president.

Ray Hempstead and Dean Stockman were named co-chairman of tickets with Mrs. Harry Detemple and Mrs. Clarence Wetzel assisting. Appointed to the decorating committee are Phyllis Hamilton, Mrs. Fred Steele, Mrs. Maurice Armstrong and Mrs. Dean Stockman.

The lunch committee will be headed by Mrs. Eyer Hinchliffe and Mrs. Forest McClintock, with Mrs. Max Gerwig and Mrs. Dorothy Kettlewell assisting.

## 523 Girl Scouts, Brownies Attended Camp This Summer

Five hundred and twenty-three Brownies and Girl Scouts attended Camp Merrydale during the summer, it was reported when the board of directors met Thursday.

Nine troops took part in day camping, 22 troops enjoyed cabin camping, and four older intermediate troops did pioneer camping. The camp program was under the supervision of the camp counselor, Miss Ann Topie of Leetonia.

The camp committee also advised all leaders that any troop may do winter camping at Camp Merrydale throughout the fall and winter months.

Board training, under the direction of Miss Ruth Dodge Mack, National District Council adviser, will be held for all board members in Youngstown on Oct. 6, 13 and 20. All members are asked to attend these sessions.

Members of the board approved the appointment of Mrs. Aubrey Hayes as training chairman to fill an unexpired term until Jan. 1. It was also voted to seat Mrs. George Hanson on the board to represent the leaders association.

Mrs. Ann Cosma, council president, gave a brief report on the Roundup patrol who attended National Roundup in Colorado. She also reported on Miss Mack's visit to Camp Merrydale in July.

Leaders are reminded that Girl Scout Calendar orders are to be phoned in to Mrs. Raymond Melinger (ED 7-6612) or Mrs. George Ulrich (ED 2-5414) by Oct. 1.

Program committee will ask all troops to emphasize service to the year.

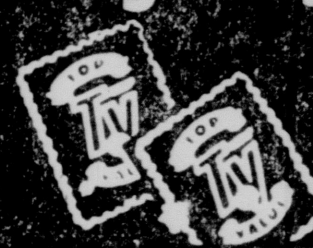

Outdoor cook badges were awarded.

## WHY YOU GO BALD DEMONSTRATED BY HAIR EXPERT HERE TOMORROW

L. M. King, director of the famous Johnson's Hair and Scalp Clinic in Cleveland, personally determines an individualized treatment for each client accepted for treatment. Mr. King, a native Oklahan, is internationally known for his ability. His permanent office is in the Fidelity Building in Cleveland.

## You Can Grow Thicker Hair Where You Are Growing Fuzz Trichologist Says . . .

CLEVELAND, Ohio — New home treatment methods for growing thicker hair and preventing baldness will be demonstrated in Salem this Sunday, September 13, 1959.

Trichologist L. M. King of the famous Johnson's Hair and Scalp Clinic will personally examine hair-worried men and women Sunday from 1 p.m. to 6 p.m. at the Lape Hotel.

Examine You Free  
In making the announcement at the home office Director L. O. Johnson said, "I want to make it clear that you incur no charge or obligation by coming in for an examination."

"Your obligation is to yourself — to fulfill your desire for hair, for the removal of dandruff, itching, or other scalp disorders, by learning how to take care of your hair. If your case is beyond the scope of Johnson's Home Treatment you will be told so. But less than 5 per cent of the people we examine are hopeless."

Offers No Cure-All  
His methods of home treatment should not be confused with "mail order courses" or pitchmen. Mr. Johnson said. Mr. Johnson is licensed by the State of Ohio.

"We always make a personal examination, by microscope analysis, before suggesting treatment," he said. "There is no cure-all for every scalp disorder. Each of the 18 disorders that cause most baldness requires a special treatment."

Johnson says that sometime your treatment must be changed after a few weeks to get best results. Also your scalp condition is checked regularly by Johnson's in this city.

Satisfies 90 Per Cent

Does Johnson grow hair? Best evidence that he does is that his organization expanded quickly from one office to several. In addition to these permanent offices their staff trichologists regularly do extension work in many other cities.

"Our biggest problem is not in doing what we claim to do," declares Johnson. "We satisfy more than 90 per cent of our clients, but overcoming the average man's initial skepticism is really hard. He is usually quiet, and definitely baldish — by the time he nerves

himself to see us. All the time he is losing hair he is justifying his neglect with one of the old superstitions about hair. That baldness is hereditary; that men naturally lose their hair as they get along in years; that nothing can be done to stop hair loss.

"What is worse, all the time he is losing hair, he keeps right on with the bad habits of hair care that cause him to lose hair."

Guarantees Satisfaction

"To overcome the average man's skepticism, we now offer a 60-day GUARANTEE," Johnson says. "You must be satisfied with results by the end of 60 days or your money will be refunded. This guarantee is written."

If you are worried about hair call the Lape Hotel today or tomorrow for Mr. King's suite number, then come to see him between 1 p.m. and 6 p.m. Sunday for a free examination.

You won't need an appointment. You won't be obligated or embarrassed in any way.

LISBON — A meeting of the Columbiana County Mental Health Assn. will be held Wednesday noon at the Wick Hotel, according to William J. Shoub of Wellsville, president.

An open discussion will be held on the 48-mill tax levy which will be on the Nov. 3 ballot for the construction of a new county home. The 10 members who made a tour of the home will give their reactions, and the county auditor and county commissioners will discuss the physical set-up, services and financial needs of the proposed new structure.

### Shooting of Ironton Man Being Probed

IRONTON, Ohio (AP)—Sheriff's deputies are investigating the shooting of Raymond Crum, 46, a tree trimmer from nearby South Point. He was shot in the back four times by an unknown assailant Friday.

Hospital attendants listed him in fair condition.

Authorities said Crum crawled from his home to a neighbor's house and lay for more than an hour calling for help before he was discovered.

### Lutherans to Hold Leesville Lake Event

Several hundred Lutherans from 13 counties in northeastern Ohio are expected to gather at Camp Muskingum at Leesville Lake Sunday for an unusual venture called Galilean vespers Aquarama.

The event is under the joint sponsorship of the Lutheran Service Society of Northeastern Ohio and the five Luther League Federations serving the area.

One of the features of the program will be aquatic sports from 3 to 5 p.m. DST. There will be competitive relay contests in the water between Luther League Federations, boat tilting, and diving and swimming exhibitions.

After the picnic supper, an evening program will feature selections by the choirs of Grace Lutheran Church in Dover and Emmanuel Lutheran Church of New Philadelphia; a historic boat flotilla pageant with living tableaux in costume of 20 events in the early Christian history of Ohio; community singing of evening hymns, a brief meditation from a boat on the lake; colored lighting of crosses afloat on the lake and closing "taps" by trumpeters.

Salem Leaguers taking part in the pageant are: Eric Theiss, Paul Herman, Jan Kyser and Ronald Linder of Emmanuel Church; and Tony Everett, Gordon Scullion, Dale Schaeffer, Marge Hilbrand and Joyce Halverstadt of Holy Trinity Church.

### Hearing Set on County Bid for Crossing Device

LISBON — A hearing by the Public Utilities Commission of Ohio regarding a county request for installation of a mechanical warning device for the Moultrie crossing of the Pennsylvania Railroad in West Township will be held Thursday, Oct. 8, at 10 a.m. in the commission's office in Columbus.

The county commissioners were advised of the meeting after the FUCO refused the railroad's request to cancel the hearing when no one from the county showed for the first scheduled meeting.

Commissioner Walter J. Hunston's plane was grounded because of fog, and he was unable to attend.

### OKAY TRUCK PURCHASES

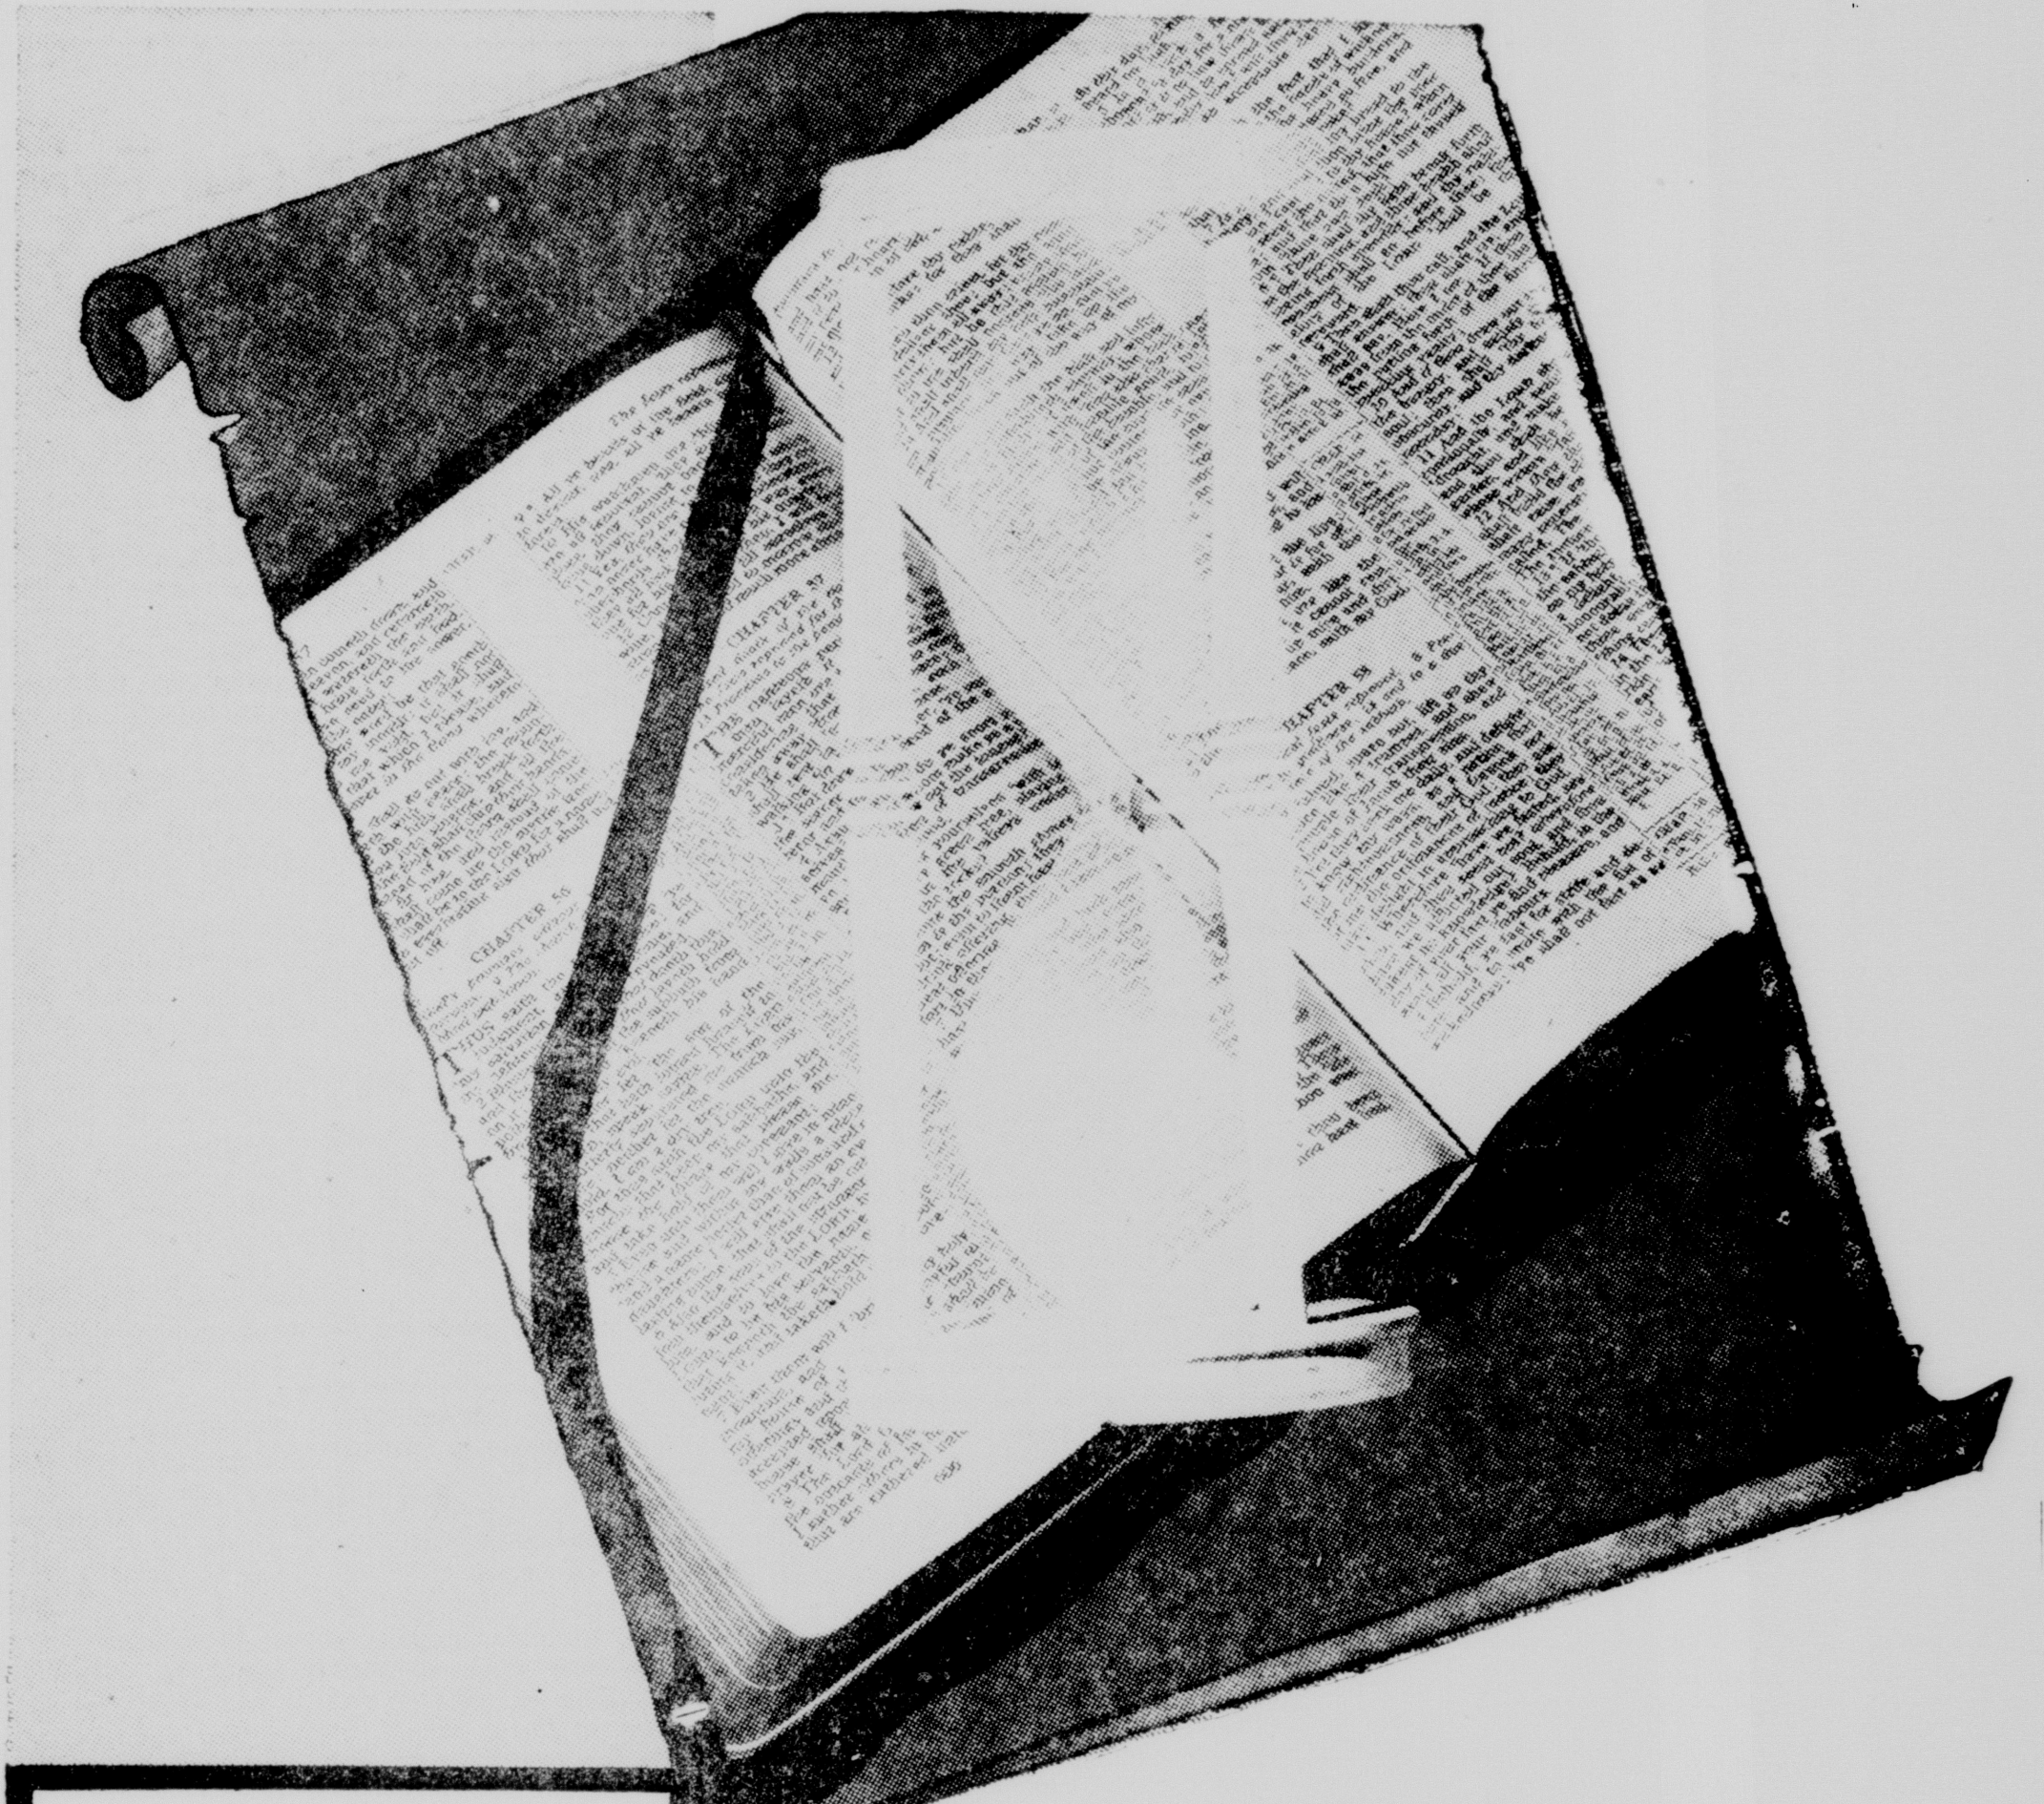

LISBON — Columbiana County Commissioners have granted authority to Butler and Franklin Townships to purchase new trucks for road repair work.

They also appropriated \$300 each for Franklin and West townships for road repairs after the two townships reported their road funds were depleted.

### HAWKINS REUNION SET

The Hawkins family reunion will be held Sunday at Pavilion 4 in Firestone Park in Columbiana. A basket dinner will be served at noon.

### THE CHURCH FOR ALL ... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Day	Book	Chapter	Verses
Sunday	Psalms	34	1-4
Monday	John	14	1-3
Tuesday	Habakkuk	3	18-19
Wednesday	Luke	10	25-27
Thursday	Matthew	12	18-23
Friday	11 Thessalonians	1	3
Saturday	Isaiah	68	1-2

## Through All Of Life ...

Perhaps you see no significance to the hourglass superimposed on the Bible. But to the believer, it means that all of life is sustained by God's promises. Every day, every hour, He gives strength and help to His followers. The light of His Word shines steadily through the passing of time. The more you read, the deeper will be your understanding, the greater will be your joy. By entering wholeheartedly into the work of the Church, by giving it your support, you increase the value of your own life, and help others to see the light shining through each day's experience.

Throughout life's entire span, the Church will help us, the Bible will speak to us of God. Does the picture mean that to you? It will, if you look at it through believing eyes.

# Quakers Shade Blue Devils 8-6 In Football Preview

## Wipe Out Early Lisbon Lead

Wellsville, Liverpool,  
Beaver Local Win

By DICK BRANTIGAM

The Salem Quakers, playing just hard enough to win, came from behind to turn back Lisbon 8-6 in Friday night in East Liverpool.

In the other three games on the card, Wellsville defeated Columbiana 6-0, Beaver Local won over Toronto 20-8 and East Liverpool outscored Leetonia 32-14.

With Pete Schmauch working the inside and Fred Phillips the outside, the Quakers moved 72 yards in seven plays in the first period to tie up the ball game after Lisbon had jumped off to a quick 6-0 lead. Schmauch picked up the touchdown on a plunge from the one-yard line.

Phillips then lugged the ball around end for a two-point conversion to provide the margin of victory.

Lisbon had struck first on a seven yard scoring jaunt by speedy left halfback Tom Brooks. The Blue Devils started their march on their own 29-yard line and with Brooks carrying four times for 29 yards, they moved the 71 yards in 11 plays.

TWO 15-YARD penalties against the Quakers were instrumental in the scoring march. The second penalty actually set up the touchdown deep in Salem's territory. Guard Charles Metcalf was charged with a personal foul and was thrown out of the game on the play.

The second of the two 12-minute periods was scoreless. The closest the Blue Devils could penetrate in the period was to the Salem 42-yard line. But, on a fourth down play, Quaker end Tony Petrucci threw Brooks for a two-yard loss and Salem took over on their own 44.

After the Quakers got the ball, Schmauch and Phillips again combined to move the pigskin to the Lisbon 25-yard line when the game ended.

The Quakers tried only one pass in the contest, and that one, which fell incomplete, came the first time they had their hands on the ball. Except for a seven-yard scamper by left halfback Frank Copacia and a four-yard pick-up on a roll out by quarterback Vince Horning, all other carries were by Schmauch and Phillips.

THE BIG FULLBACK carried nine times for 46 yards and Phillips, five times for 53 yards. Schmauch's longest run was for 18 yards. Phillips racked up gains of 28 and 21 yards.

One big factor in Salem's win was their ability to stop the speed merchant, Brooks, in the second period. Brooks carried the ball six times in the first quarter, picking up 44 yards. The longest run was for 17 yards. The gains were being made possible by Lisbon blockers who were chopping down Salem's cornermen on nearly every play.

The Salem coaches spotted the problem and in the second half Brooks was thrown for losses on three of the four times he carried the ball. His only gain was for one yard. Cornermen Vince Horning and Chuck Horn and ends Tony Petrucci and Don Davidson penned in the speedster before he could turn the ends.

Salem kept one of it's top offensive threats, Ronnie Janovec, under wraps last night. The hard running halfback saw action only on defense where he looked impressive, making six tackles from his linebacker's post.

The only fumble in the game was committed by Lisbon, and it cost them possession of the ball. Copacia fell on the loose pigskin on the Salem 46-yard line where the Blue Devils had moved it from the opening kickoff.

Both coaches used their first units throughout most of the game.

WELLSVILLE SCORED early in the first period on a plunge from one foot out, halfback Dick Brown in their victory over Columbiana. The touchdown was set up by a 42-yard punt return by Jim Stevens.

Coach George Fisher's light clipper squad did not move into Wellsville territory until just 30 seconds remained in the game. It was a pass from quarterback Roger Fritch to end Harold that placed the ball on the Wellsville 39-yard line. An intercepted pass two plays later put an end to the threat.

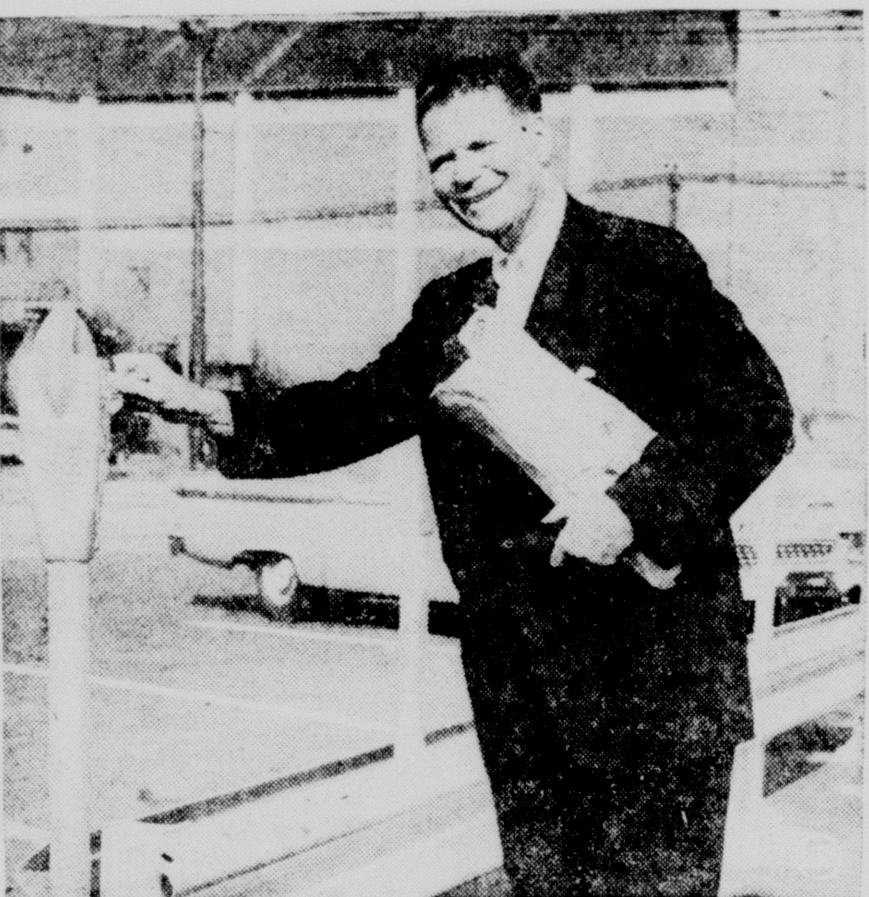

Bob Edwards, Bob Montgomery and Frank Sprengle each scored once for Toronto as they outplayed Beaver Local, 20-3. The touchdowns came on runs of three, six and five yards.

Bill Dunn scampered 10 yards off tackle in the second period for Beaver Local's only touchdown. The Beavers were on the Toronto five-yard line when the game ended.

The East Liverpool-Leetonia affair, Dave Zelch scampered 70 yards on East Liverpool's first play from scrimmage and the race was on.

HE CAN AFFORD IT—Cleveland Indians' general manager Frank Lane uses one of the nickles he collects on his nickel-a-head attendance bounty to open a parking lot in suburban Lakewood, Cleveland. Lane's contract gives him a nickel of each admission over the 800,000 mark and, with this year's booming baseball business, that's not small change.

### Phils, Cubs, Braves Win

## Dodgers Gain 5-4, 4-0 Sweep Of Doubleheader With Pirates

By The Associated Press  
It appears the question no longer is whether Los Angeles' darlin' Dodgers, dynamiting Elroy Face's magnificent winning streak, or Milwaukee's barreling Braves can overhaul San Francisco's National League lead.

Now it looks to be more a question of who will do it first. While last-place Philadelphia tumbled San Francisco 1-0 Friday night on Robin Roberts' three-

## Braves Hand Redlegs 10-2 Touncing

MILWAUKEE (AP)—The idea persists that young Vada Pinson is a rookie, but even as a sophomore this year his play for Cincinnati's Reds has been superlative.

His home run Friday night was the only really solid hit in the Reds' 10-2 touncing at the hands of Milwaukee's Braves.

Pinson, just 21 last month, had 36 times at bat last year before the Reds packed him off to the minors for more seasoning. That cut off his chances for awards as a first-season man.

But he boasts a .320 average and has 19 home runs this year. In the field, he can run like a scared gazelle.

His talents invite a comparison to Willie Mays of San Francisco. Reds' manager Fred Hutchinson said, "Vada has lightning speed. He's as fast, perhaps faster, than Mays."

"You'd never take this boy to be a rookie. He plays like he's been at it for years."

Hutchinson thinks there should be a change in the rules to let his center fielder be eligible for league rookie honors.

Hutchinson's other hitters did little Friday night against Joey Jay's pitching. The Braves, however, made free with four Cincinnati throwers.

Pinson's two-out homer came in the fifth inning. The only other Cincinnati marker came in the first inning. Johnny Temple beat out a leadoff bunt and scored on three passes.

The Braves tied into Reds' pitching for five runs in the first inning. Starter Jay Hook hit Eddie Mathews with a pitch and put him on second with a wild pitch. After Hank Aaron walked, Joe Adcock hit a two-run double.

Singles by Johnny Logan and Felix Mantilla around Del Crandall's double brought in one run apiece before reliever Orlando Pena could end the inning.

82 yards in six plays, with John Goodballet going over for the second score from the one-yard line.

For the third time Leetonia lost the ball on a fumble, this time on their own 48-yard line. A 48-yard pass from Cunningham to Mackall made it East Liverpool 24, Leetonia 0.

At this point the Potters put in their second unit and the Bears started rolling. Halfback Dave Piriggi got the Bears' first touchdown through the East Liverpool team. Fullback Bill Little, who teamed with Piriggi to do all of the Bears' ball carrying, spearheaded a 70-yard drive in 11 plays and finally plowed over from two yards out. Little's touchdown made it 24-14.

Est Liverpool Coach Lou Vendi rushed his first unit back on the field, and they added a final touchdown on a 18-yard pass from Mackall to Tim Archer.

## White Sox Shut Out Twice By Oriole Pitchers 1-0, 3-0

By The Associated Press  
Chicago's pennant - pressing White Sox, toughest club to shut out in the American League, suddenly have been shackled with a string of 28 scoreless innings, their magic singles disenchanted by a couple of right-handers.

Baltimore's Jack Fisher and Jerry Walker, both just 20, spun a 25-inning shut out over the Sox for a two-night doubleheader sweep Friday night. Walker put them away on six hits in a 16-in-

### Senators Nip Indians 5-4

Tribe Gains Half  
Game on White Sox

WASHINGTON (AP) — Would Jim Piersall have recovered that eighth-inning hit and cut off the run that proved decisive in Cleveland's 5-4 loss to Washington Friday night?

Second guessers, pondering the Indians' boot of another chance to gain ground on Chicago in the American League pennant sprint, could have themselves a time with that one.

Manager Joe Gordon had to first-guess it—without benefit of hindsight, of course.

Gordon benched Piersall, who lately has been batting little but breeze, in favor of Chuck Tanner, recently advanced from Minnesota. Tanner hit a pair of singles. He also scored one run and, 4-0 two-night doubleheader sweep over Pittsburgh. And the Braves edged within a game of the top with their sixth straight success, a 10-2 romp over Cincinnati.

The Dodgers, whipped along by Wally Moon's three home runs, ran their streak to five games, ending Face's two-year winning string at 22 games with a two-run ninth inning in the opener.

Chicago's Cubs beat St. Louis 2-1 on a wild pitch in the ninth in the other NL game.

Face, who set a record for relief pitchers while winning 17 in a row this season, finally was beaten when he gave up a single by Maury Wills, who scored the tying run on Junior Gilliam's triple, and then was tagged for a winning single by Charlie Neal.

It was Face's 99th appearance since his last defeat—delivered by Milwaukee on Memorial Day last season. In that time, he put away 24 saves, three against the Dodgers, a club he beat five times in the streak which fell two short of matching Carl Hubbell's major league record of 24 consecutive victories for the Giants in 1936-37.

Face's string also was two shy of the major league record for consecutive victories from the start of a season, set at 19 by another Giant, Rube Marquard, in 1912.

The Phils handed the Giants their second loss in a row with their first run in three games. Shut out on two hits by Mike McCormick (11-14), a lefty who had beaten them five times this season, they finally broke through in the seventh on a single by Joe Koppe, a sacrifice and a single by Harry Anderson.

Willie Mays doubled for the Giants in the fourth and Hobie Landrith singled in the fifth and eighth for the other hits off Roberts (14-15), who ended rookie Willie McCovey's hitting streak at 22 games. It was Roberts whom McCovey tagged in his 4-for-4 debut on July 30.

When Bequer, a left handed hitter, was sent to the plate, Gordon countered by sending southpaw Jack Harshman to the mound. Bequer hit Harshman's first pitch to center field.

Cleveland had tied the score with two runs in the eighth on a single by Elmer Valo, who batted for Grant, a double by Minnie Minoso, and infield out and an error by Billy Consolo, who dropped Vic Power's pop fly to allow Minoso to score the tying run.

Gary Bell (15-11) goes for the Indians in the final of the two-game series this afternoon. He will be opposed by Russ Kemmerer (8-16).

## Fernandez Scores Win Over Ortega

MIAMI BEACH, Fla. (AP) — Undeclared Florentino Fernandez will have to beat Gaspar Ortega if he wants a shot at welterweight champion Don Jordan.

Fernandez, who scored his 21st victory with a unanimous decision over Ortega Friday night, floored the wily Mexican from Mexicali in the first and fourth rounds but could not knock him out.

Teddy Brenner, Madison Square Garden matchmaker, watched the nationally televised fight from ringside and said he would rematch Fernandez and Ortega in the Garden on Oct. 23.

If Fernandez wins that one, Brenner said, he wants the Cuban to fight Jordan for the title at Miami Beach on Dec. 4.

Ortega's manager wouldn't argue that Fernandez won, but he said he thought the fight was much closer than the judges scored it.

Under Florida's 10-point-must system, Referee Cy Gottfried scored it 97-90 for Fernandez, Judge Gus Jacobson saw it 97-91 and Judge Fred Aaronson called it 96-93 for Fernandez.

AVES HAVE IT—Maryland football players unveil the Terrapins' new look, the I formation. The backs line up in single file behind the center, then scatter as the play gets under way.

## Bears Score 18-6 Win Over Giants

By The Associated Press  
No social graces for those big bad Bears from Chicago. Make a tactical faux pas against those bruisers and they'll run you down.

That's the way the undefeated Bears played it Friday night as they whipped the defense-minded New York Giants 18-6 for their fifth National Football League exhibition victory.

The Bears, who had scored 106 points in their last two games, and the Giants, who had held the opposition scoreless in a pair of exhibitions, were tied 6-6 in the third quarter.

The Giants had the ball, fourth down and one to go, on their own 34. They gambled. The Bears stopped Phil King short, and took over.

Then the Bears marched to two first downs and went ahead to stay on a 10-yard scoring pass from Zeke Brankowski to Jim Dooley.

In the only other game, Bobby Layne threw two touchdown passes as the Pittsburgh Steelers defeated Chicago's Cardinals 21-13.

Tonight's exhibition program is headlined by the nationally televised (ABC-TV, 10 p.m., EST) between Washington (1-3) and Green Bay (2-2) at Winston-Salem, N.C. San Francisco (2-2) is at Los Angeles (1-2-1).

Sunday, the NFL champion Baltimore Colts (4-0) tackle the Eagles (1-3) at Philadelphia and Cleveland (1-3) plays at Detroit (2-2-1).

## Wininger, Rosburg Lead Dallas Open

DALLAS (AP) — A couple of hot patters, Bo Wininger, who's seeking his first tournament victory, and Bob Rosburg, who already has won his, led the close \$25,000 Dallas Open into its second round today.

Wininger and Rosburg each shot a 3-under-par 67 over the dry, windy 6,744-yard Oak Cliff Country Club course Friday to tie for the lead at 18 holes.

Strung out behind them were 13 players with a range of three strokes.

Rosburg, the National PGA champion from Palo Alto, Calif., and Wininger, from Odessa, Tex., who has finished second three times this year but never on top, were dropping those putts like mad.

Two of the big favorites — Sam Snead, the defending champion, and Ben Hogan, making a rare appearance — had their troubles. Each wound up with a 74 and each had a double bogey on the 18th hole.

## Sherry Wheeler Pulls Upset In Golf Event

HOT SPRINGS, Ark. (AP) — Blonde teen-ager Sherry Wheeler of Glasgow, Ky., and veteran Mrs. Ann Casey Johnstone of Mason City, Iowa, meet today in 36-hole finals of the Women's Trans-Mississippi Golf Tournament.

Miss Wheeler pulled the tournament's biggest upset Friday when she ousted National champion Barbara McIntire of Lake Park, Fla., 4 and 3.

Mrs. Johnstone had to go to the 19th hole in her semifinal match. She beat Judy Kimball of Sioux City, Iowa, 1-up.

Miss Wheeler defeated Mrs. Johnstone, 3 and 2, in the second round of the Women's Western Amateur in July.

## Bartzen Defeats 3rd Sealed McKay

FOREST HILLS, N.Y. (AP) — "I hate playing on grass," Bernard (Tut) Bartzen insisted today. Strange words, indeed, from a fellow who has battered his way to a semifinal berth in the national lawn tennis championships.

Bartzen, 32 and unseeded, went up against Australian ace Neale Fraser in one of the semifinals today. In the other, top-seeded Alex Olmedo of Los Angeles played unranked Ron Holmberg of Brooklyn.

Bartzen accomplished the trick of the tournament Friday when he polished off third-seeded Barry MacKay of Dayton, Ohio, 6-3, 6-4, 6-3, 6-4, 6-4. Olmedo downed Roy Emerson of Australia 6-4, 3-6, 6-2, 6-3, and Holmberg ousted fourth-seeded Rod Laver of Australia 6-8, 7-5, 6-0, 6-3.

In the women's division, top-seeded Maria Bueno of Brazil tackled Darlene Hard of Montebello, Calif., No. 4, and third-seeded Christine Truman of Britain met sixth-ranked Ann Haydon, also of Britain, in the semifinals.

UNITED BOOSTERS TO MEET  
The United Booster Club will meet at 8:30 p.m. Tuesday in the school. All persons interested in continuing Booster activity are asked to attend.

Lou (The Toe) Groza, veteran tackle and place kicker of the Cleveland Browns, will appear at Nicholson Stadium in Wellsville at 6:15 p.m. Tuesday to give a demonstration of kicking and blocking.

Wellsville High School Coach Ken Woods will introduce his 1959 Tigers to fans at 7:15 p.m. and present an equipment show.

Groza's appearance is being sponsored by the Wellsville Junior Chamber of Commerce. Any coaches wishing to take their teams to the demonstration may do so for a packet price of \$15.

## Lebanon Feature Won by Just Right

LEBANON, Ohio (AP) Just Right faltered briefly at the start, but that didn't prevent the fleet mare from winning the featured eighth race at Lebanon Raceway Friday night.

Driver Bill Haworth, who also owns the 4-year-old sidwheeler, guided her past the early pace setter, Seminole Sam, halfway through the mile course and Just Right had little trouble winning in 2:06 3/4.

Just Right, winner 13 times in 22 starts this year, paid \$4, \$3.40 and \$2.40.

Debbie Joan and Earnmor set up an \$88 double.

# We Salute SALEM'S JUNIOR BASEBALL PROGRAM

... THIS PROGRAM IS A PROJECT OF THE AMERICAN LEGION

CHARLES H. CAREY POST No. 56

This special section of today's Salem News is devoted entirely to all phases of Salem's popular Junior Baseball Program. The News' Sports Department, in developing this section, has a two-fold purpose in mind: (1) To acquaint local fans with the rules, background and organization of Salem's Hot Stove League Program, and (2) to pay tribute to the American Legion, backers of the rapidly-expanding project, the progressive merchants, manufacturing plants and local unions which sponsor the program and the industrious adults, who, voluntarily and unselfishly, make the program possible. It is all these people working together who are making a wholesome contribution to our youth. Today we honor them!

## Why Is Baseball Program In Red? What Is Remedy? Here're Answers

The Salem Junior Baseball program finished the 1959 season with a deficit of \$1,253.13. A total of \$742.75 of this deficit was carried over from last year, but the program went more than \$500 in the red again this summer.

In the following series of questions and answers, League Treasurer Bob Whitehill tells why the organization is operating in the red and what it intends to do about it.

Q. Why is it that the Junior Baseball program has been operating at a deficit for the past three years?

A. A great many people believe that sponsor fees alone meet all expenses of operating the league. This is far from the truth.

For example, our sponsor fees in 1959 amounted to \$2,242, while \$2,760 was spent on playing equipment, uniforms, bats, balls, etc.

The amount received from sponsors was less than the cost of equipment, which is only one item of expense.

Q. What other expenses does the league have?

A. Umpires and scorekeepers fees amounted to \$855.50 in 1959. Insurance is a costly item, amounting to \$465. Ohio Hot Stove League entry and chapter fees and tournament entry fees amounted to \$186.80, printing, \$76.26; administrative and office supplies, \$113.50; project expenses, \$85; plus miscellaneous expenses such as phone calls, bank service charges, trophies, etc.

Q. Why don't you charge each sponsor the amount required to equip and field his team?

A. We couldn't possibly expect a sponsor to pay that amount. With economic conditions being what they are, we consider ourselves

fortunate to be able to obtain sponsors for most of the teams. We are very grateful for their financial assistance.

Q. How much does it cost to sponsor a Hot Stove League team?

A. That depends on the age group. The older the boy, the more expensive the uniforms and playing equipment, including bats and balls. (Larger bats and official baseballs are naturally costlier). A Class H team (8 to 10 years of age) costs \$50 to sponsor. We provide T-shirts, caps, trousers and socks.

In Class G (10 to 12 years) the cost is \$75. Their uniforms are handed down from Class F teams after being cleaned and repaired.

Class F league (12 to 14) and Class E (14 to 16) sponsor fees are \$200 during the year that new uniforms are purchased and \$100 per year for the next two years. (Uniforms are purchased every three years).

A charge of at least \$300 is necessary to sponsor a Class D (16 to 18 years) league team when new uniforms are provided and \$200 during alternate years. The cost of playing equipment, umpires and scorekeepers is proportionately higher.

Q. If sponsor fees don't meet all expenses, how do you hope to continue to operate?

A. By conducting various money-making projects. We raised nearly \$300 during two tag days this year. Our bakery booth at the American Legion Fall Festival netted \$147, \$25.02 was taken in at the All Star game and to date \$127.50 has been realized through the sale of associate membership tickets, although all that money hasn't been turned in by the various teams yet.

Q. When you conduct a tag day you are soliciting the general public, many of whom have no children participating in the program. Should the parents of the ball players assume more financial assistance since their boys benefit the most?

A. The parents as a whole, have been very generous and cooperative. They are required to have their boys examined by a physician. When the ball players are given membership or other tickets to sell, it is invariably "Mom" and "Dad" who purchase them. During our recent "bakery booth" the mothers responded magnificently with home baked cookies, pies, cakes and fudge.

Q. Do you think your current deficit will be liquidated by next spring?

A. Yes, we hope so. Two projects are in the advanced planning stage now and we hope to realize a profit so.

We do not plan to remain idle during the off-season, but will conduct various projects during the winter months.

A. Did you have sponsors for all your teams during the past season?

A. No, two teams which would have drawn \$200 each in sponsor fees were unsponsored. There was also no revenue to defray the cost of operating our beginners leagues. The expense of these teams was absorbed by our organization.

Q. Are league officials, managers and coaches paid salaries or allowed expense accounts?

A. No. All officials donate their time and any and all expenses are paid by each individual. The only people paid are umpires and scorekeepers who receive a nominal fee for their services. Our head scorekeeper, Steve Eskay, donates his services.

### Questions and Answers

Today I shall try to discuss a number of accumulated questions on the hair and skin.

Q—What causes the hair to fall out by the handful? Mine is doing this.—Mrs. M. S.

A—Loss of hair may occur for a great number of reasons including general disorders such as infections, a reaction following local disorders such as boils, ringworm or seborrheic dermatitis and for other reasons. The problem, therefore, is to try to pinpoint the exact cause.

Q—Please say something about the skin disease known as ichthyosis.—Mrs. M. E.

A—This is a condition of the horny layer of the skin which develops something in the form of fish scales. It usually becomes noticeable within the first two years of life. It is inherited and is equally common in both sexes. Although there is no complete cure, the condition may be greatly relieved by ointments, the wearing of warm clothing during cold weather and the like. Sometimes vitamin A is used and occasionally thyroid extract.

Q—What is the cause and cure of lichen planus.

A—The cause of this skin disorder is unfortunately not known, although it is not rare. The skin involved has a characteristic appearance which is nonscaly, slight violet and lat-topped, generally there is a good deal of itching. Lichen planus yields to treatment with difficulty and its management calls for great ingenuity and effort on the part both of the skin specialist and the patient. In addition to local treatments, injections of a bismuth preparation are commonly employed.

Q—I would like a discussion of pemphigus since I am unable to obtain any information about it. Is it inherited or contagious?—F. D.

A—The name of this skin disease comes from the Greek word for "blister" which describes the appearance of the skin. Its cause, unfortunately, is not known, but

it does not seem to be inherited nor is it contagious. It is one of the most serious of all the skin diseases, and a patient who has it should be hospitalized immediately and treated vigorously with all the means at the command of the physician. The discovery, of cortisone, ACTH and their relatives have meant a great step forward in treatment.

Q—I am plagued with a red-dish appearance on my nose which has been called rosacea. I have been on a diet and have been using sulphur preparations, but to no avail. Have you any suggestions?—M.

A—This is a condition often mistakenly—and embarrassingly—attributed to excessive alcohol consumption. It seems to be related to oily dermatitis. Treatment involves diet, general measures, local measures, sometimes hormones and occasionally surgery. You can see the skin specialist has his hands full.

### Estimated Crop Production for '59

WASHINGTON (AP)—The Agriculture Department Thursday estimated Ohio's crop production for 1959 as follows:

Corn: 64 bushels per acre, 259,264,000 bushels.

Oats: 46 bushels per acre, 50,646,000 bushels.

Soybeans or Beans: 26½ bushels per acre, 37,710,000 bushels.

Sweet Beans: 16 tons per acre, 352,000 tons.

Tobacco: 1,645 pounds per acre, 5,587,000 pounds.

Burley Tobacco: production was estimated at 14,720,000 pounds. Last year Ohio produced 12,408,000 pounds of the leaf.

Hank Kuhlmann, catcher for Winston-Salem of the Carolina League, was a fullback under three different head coaches at the University of Missouri—Don Faurot, Frank Broyles and Dan Devine.

## Train Crash Kills Woman, Six Children

WASECA, Minn. (AP) — "I've worked hard. I had a lovely wife, wonderful children. Now everything is gone. Everything. It's an empty feeling."

James Zimmerman sadly shook his bowed head in voicing his heartbreak over the train-car crash that snuffed out the lives of his wife and six children. A Minneapolis & St. Louis freight train smashed into their station wagon Friday at a crossing just half a block from the Sacred Heart Catholic School, where four of the children attended classes.

Killed at the scene were Michael 10; Connie, 8; Barbara, 7; James Jr., 5; and Janice, 2. Kathryn, 13, died shortly afterward, and Mrs. Zimmerman, 39, three hours later at a Waseca hospital.

All but James and Janice were enrolled at the school—they had just gone along for the ride from the Zimmerman farm, 4½ miles east of here.

A coroner's jury viewed the bodies Friday night, then recessed until next week, after the funeral, for its verdict.

## Ohio Is on Solid Financial Footing, DiSalle Declares

GRANVILLE, Ohio (AP) — Ohio may not have any new taxes for up to 10 years, says Gov. Michael V. DiSalle.

He told the Ohio Trade Assn. Executives here Friday that Ohio is on a solid financial footing, comparing favorably in all respects with states of similar size.

DiSalle pushed a tax increase program of more than 300 million dollars through this year's Legislature. But he said that continued prosperity and the natural growth of Ohio's economy should produce the money to cover additional costs which the growth will make essential.

The last 11 years, the governor asserted, "were fine years for almost everyone except the state government."

He said no planning was done during the growth and then crash programs had to be initiated. The new Department of Economic and Industrial Development is attempting to complete future plans, he added.

Ohio may become the No. 1 industrial state in the nation with one million new jobs by 1970, he commented.

But, he added, during that time, education costs probably will jump to one billion dollars for a two-year period from the present \$30 million.

The governor cited an unusual population growth pattern in Ohio. He said that during the past 11 years, while Ohio's population increased by 1,627,000, the productive age bracket—18 to 45—decreased by 50,000 because of the low birth rate in the depression years of the 1930s.

### Negro Receives Life Sentence for Rape

YADKINVILLE, N.C. (AP) — Bobby Lee France, a 22-year-old Negro charged with raping the young wife of a white neighbor, was sentenced to life imprisonment Friday.

France was being tried on the capital charges of first degree burglary and rape when he entered a guilty plea to the burglary count. The state accepted the plea and dropped the rape charge.

Had the case gone to the jury, a guilty verdict on either charge could have resulted in a death sentence.

Mrs. Leonard Matthews, 18, testified that France entered her home the night of July 6 while she was alone and assaulted her in her bed. She admitted that after the attack, she made some coffee for France and that the Negro stayed in the house for about two hours.

There is little chance Khrushchev's visit will do much to change his mind. It may, however, have some effect on the United States a bit of "good timeable" the world Communist leader has worked out. The prospective guest of the Soviet Union and first secretary of the Soviet Communist party may learn some surprising things.

Khrushchev has staked his niche in Soviet history upon a challenging declaration of economic war.

ican worker, choosing between parties, merely chooses between exploiters.

Factory managers in the Soviet Union have no strike problem. Strikes are forbidden. The state operates labor unions. But Khrushchev professes to believe labor unions in America are all "tools of monopoly capital." If Americans strike, it is a phenomenon which could not be controlled by union bosses. To him, this indicates decay of the whole American system.

Khrushchev is enraged by suggestions that the Soviet government cares little about the consumer, aims only at industrial power and war might.

"The American politicians often shed crocodile tears about the Soviet government allegedly giving little attention to developing those branches of industry which directly meet the people's needs," shouted Khrushchev in Czechoslovakia last year. (Aware of possible envy in the U.S.S.R., he does not make such statements for home consumption.)

"So," he continued, "we decided to make a practical test of their attitude and let them show whether the American imperialists really care for the peoples of the Soviet Union, that they should consume more, or whether they care for having the economic potential undermined and making it incapable of defense, and thus have the opportunity to carry on their cold war policy and dictate conditions from a position of strength."

Khrushchev has been least violent in his treatment of President Eisenhower, among all American leaders. Yet he has accused the President of being directly responsible for a "brink of war" policy.

**780 Boys Registered This Summer**

# American Legion Post Kindled Baseball Program for Salem Youngsters In 1950

The kindling of a youth baseball program for Salem came in 1950 when the Charles H. Carey American Legion Post 56 decided at one of its meetings to expand interest in youth activities, particularly in baseball.

The post had been sponsoring a team in the American Legion League. It was decided to cover all age groups in the program.

Early in the year, three teams were formed, and with a squad from Guilford Lake, the American Legion Midget League was organized. In 1951, a franchise was secured from national headquarters to cover the four-team loop.

In 1952, the program was expanded to six Little League and four Minor League teams. A franchise for the 12-14 year old boys

(Pony League) was also obtained. In 1953 the program grew to include one Legion team, four squads in the Pony League, six in the Little League and six in the Minor League.

The Little League All-Stars from Salem won the sectional championship in 1954. Campbell beat them out for the district title. By 1955 interest was growing so rapidly that further expansion was necessitated. Officials here decided to enter some of the teams under the National Hot Stove Baseball Program. This program covered age groups from seven to 19.

In 1956 league officials voted unanimously to drop all other franchises and to secure a chapter franchise with the National Hot Stove program. All teams playing under the Salem Junior Baseball program were entered in Hot Stove. Salem was granted a chapter franchise and 22 local teams took part the first year.

This summer 780 boys from 7 to 18 years of age, the largest registration in the history of the league here, signed up to take part in the program.

The boys were divided into 29 teams in five age groups. Included in the total were 104 youngsters who were placed in Beginner's Classes for a year of special instruction before being graduated to a team.

The 1959 program covered the following classes:

Class D (ages 16-18) one team.  
Class E (ages 14-16) four teams.  
Class F (ages 12-14) eight teams.  
Class G (ages 10-12) eight teams.  
Class H (ages 7-10) eight teams.  
Beginners' Classes (ages 12 and under) 104 boys.

Plans for a Class C League this year were dropped for lack of sponsors. One team of these 18-20 year-old players was formed in 1958, and Salem Hot Stove League President John Herman Jr. says he expects to find sponsors for at least one Class C League team for 1960.

As in Class D, where there is only one team, the Class C entry would play a schedule of out-of-town teams.

Each boy is given a chance to make a team. If he is released efforts are made to place him on another squad. A total of 563 boys played Hot Stove ball this summer in Salem from the original list of 780 who registered.

**Local Hot Stove Players Must Receive Physicals**

One regulation that the Salem Junior Baseball program adheres to is that the National Hot Stove League is expected to write into its constitution in the near future is a requirement that each boy be given a physical examination before he is permitted to play ball.

This safety precaution has turned up numerous health defects which the League requires to be corrected before further participation in the program is allowed.

All officers, managers, coaches, umpires and players are covered with insurance that lasts from April 1 to Sept. 15 of each year.

**CLASS E CHAMPIONS**, CIO 3372 (Bliss) made a runaway of the Class E race this year. Finishing eight full games ahead of runner-up Youngstown Kitchen. Bliss also won the title last year. A league co-ordinator can grant a release to a player providing his manager can give good reason.

### Draft System Incorporated Into Baseball Program

In an effort to maintain a balance of strength within the leagues each year, the Salem Junior Baseball program adopted the draft system for assigning new players to various teams.

Last teams in the standings of the previous year are given first choice of players moving up from lower classifications. After each team manager has drawn one boy, the same procedure continues until all candidates have been chosen. Players moving up from each league are given first chance to be placed on a team. If not enough players move up from the various leagues, the managers may choose from the players pool makeup of boys who did not play the year before.

The player draft for next year will be conducted in October. The purpose of the system is to prevent all of the better players from joining together on one team to the disadvantage of the rest of the league. Salem is one of the few Junior Baseball programs in this section of the country using the draft system.

Three of the 12 members of the National Jockeys Hall of Fame were born outside the United States. Ted Atkinson and George Woolf were born in Canada, and John Lonsden in England.

## SMU Eleven Appears Strong

### TCU, Texas Also Look Promising

DALLAS (AP)—Establishing a favorite in Southwest Conference football is tantamount to shooting fish in a barrel—it's just luck if you score a hit.

Coach Bill Meek of Southern Methodist, showing uncommon concern for the reputations of the critics, thinks it would be foolhardy for them to pick his team to win the championship.

Meek does admit that it should be the best team he's had in his coaching career and he further admits that Southern Methodist should be one of the favorites but he thinks Texas Christian and Texas should be ranked right along with him.

The critics, however, are going for the Mustangs with their great passer and quarterback, Don Meredith.

Obviously SMU should be strong. There are 25 lettermen and the backfield may be the best in the league with Meredith, Glynn Gregory, Bill Polk, Frank Jackson, Toney Wilemon and Jim Welch packing a threat in every move. The line appears most excellent, too.

Texas Christian, defending champion, has the most veteran strength. Coach Abe Martin has experienced Horned Frogs running out of his ears with 29 lettermen, 28 of whom were on the 1958 title squad.

Texas comes up with 23 lettermen and three outstanding sophomores and backfield prospects in Mike Cotton, Jim Sexton and Jack Collins. The Longhorns expect to be fast and boast more scoring power than the 1958 team that distinguished itself by giving Oklahoma a beating.

Arkansas is considered the best bet to break through this triumvirate if anybody does. There are only 17 lettermen at Arkansas but there's quality and there is a sensational sophomore talent in Lance Alworth, who packs great speed and versatility.

Rice is rated a threat. The Owls are big and strong and have picked up some fine sophomores, notably fullback Roland Jackson.

Texas A & M, still with the mighty passer, Charley Millstead, and with plenty of experience at most every position, should be better but isn't rated a good chance of winning the championship.

Baylor has a new coach and a barrel of new and untested personnel. John Bridgers, who coached with the Baltimore Colts, is bringing a pro-T attack to the Bears in an effort to pull them out of the cellar, where they have languished for two years.

**CLASS H CHAMPIONS.** Stark's Colonial Attic under manager Chris Christofaris compiled a record of 18 wins and 3 losses to edge out Home Furniture by one game for the Class H title. Members of the championship squad are: First row (l. to r.) Gary Eyster, Danny Palmer, George Nyktas, Wayne Snyder and Tom Lantz. Second row: Scott Annis, Bob Hissom, Gary Schuster, David Greene and Kenny Zines. Back row: Manager Chris Christofaris, Barry Rhodes, John Mlinarcik, George Christofaris and George Zeller. Absent: Pat Noll.

## Six Juvenile Drivers Receive Penalties

LISBON — The license of six juvenile motorists were suspended at hearings at the Courthouse this week, and another was given two days' detention.

Phillip N. Gerner, 16, New Middleton, and James W. Berger, 16, of Beloit RD 2, received 60-day suspensions for reckless operation.

William Wonderle, 17, Minerva, and David A. Bailey, 17, of Hanoverton, were deprived of their license for 30 days for reckless operation.

Roger A. Lippiatt, 17, of Salem RD 5, was given a 60-day suspension for speeding, and Richard A. Peters, 16, of East Liverpool, 60 days and a \$15 fine for illegal parking.

John B. Green, 16, of East Liverpool was given two days, detention and ordered not to apply for a driver's license until he is 18. He was cited for reckless operation and no driver's license.

New players may be added upon written request.

A written report of all playing injuries are filed with the league officers within 24 hours.

# Niles Alberines Wins In Tourney

## 10 Teams Remain In Invitational Play

John Beaver pitched a two-hit shutout for Niles Alberines Restaurant Friday night to hand Youngstown Army-Navy 343 its first loss in the double elimination Salem Invitational Softball Tournament being played at Kelley Field.

Ten teams remain in the tourney from the original field of 32. Niles, along with Cleveland Sheffield Bronze, Akron Reds Bar and Canton Dolph's Tavern are still undefeated.

Other teams with one defeat are Salem Lincoln Machine, Salem Herron Transfer, Steubenville Lido Restaurant, Akron Esquires and Akron City Cafe.

Beaver struck out 10 men and walked only one in Niles' victory over Youngstown last night. He was supported by a nine hit at Cortell who had a perfect four for four.

Rocky Prezioso's two run single in the first inning gave the Niles hurler all the runs he needed. The winners added two insurance markers in the sixth and another in the seventh.

Ray James was the losing pitcher for Youngstown. He walked one batter and fanned three.

**Tonight's Schedule**  
 7:30, Salem Herron Transfer vs Akron Esquires.

**Sunday's Games**  
 2, Youngstown Army-Navy 343 vs Steubenville Lido Restaurant.  
 3-15, Akron City Cafe vs winner of Saturday game.  
 4-30, Salem Lincoln Machine vs winner of 2 p.m. game.

## Major League Stars

Pitching — Jerry Walker and Jack Fisher, Orioles, paired for double shutout over first-place White Sox, Walker giving up six singles for 16-inning, 1-0 decision after Fisher won his first in the majors, 3-0, allowing just three singles and facing only 28 men.

Hitting — Wally Moon, Dodgers, hammered three home runs, two in the first game and clinching the second with a three-run blast, in 5-4, 4-0 sweep over Pirates.

Michigan State's soccer team carries a three-year, 22-game winning streak into the 1959 season.

## Tri-County League Officials Confer

Seventy school administrators and coaches attended the Tri-County League meeting Thursday evening at Lisbon.

Dr. W. W. Gephart, Leetonia superintendent and president of the league this year, presided at the meeting which had one of the largest groups attending a league meeting for a number of years.

Principal George Nace of Lisbon said the principals attending the meeting voted against issuing a second-place trophy for football and basketball in league competition. Other routine business was transacted.

## Fight Results

By The Associated Press  
 Miami Beach — Florentino Fernandez, 146½, Cuba, outpointed Gaspar Ortega, 145½, Mexico, 10.  
 Tokyo — Kozo Nagata, 121, Tokyo, outpointed Baby Carlos, 122½, Manila, 10.

Chicken Bone, Bivalve, Ong Hat, Timbuctoo, Hi - Nella, Brass Castle and Double Trouble are all names of communities in New Jersey.

# Deaths and Funerals

## Mrs. Fullum Funeral

LISBON — Funeral service for Mrs. Julia Mae Fullum, 82, of Maple St. Ext., who died Friday morning in Salem City Hospital, will be held Monday at 2 p.m. at the Clarke Funeral Home in Toronto, O.

The Rev. William Mautz of the Toronto Methodist Church will officiate and burial will be in Sugar Grove Cemetery near Empire.

Friends may call at the funeral home anytime.

Born at Marietta Sept. 15, 1877, she was the daughter of Edward and Sarah Rouse. Her husband, George Fullum, died in 1948.

Survivors are four daughters, Mrs. Margaret Ketchum of Lisbon, Mrs. Nora Manner of Brookfield,

N.Y., Mrs. Helen Dotson of Lisbon and Mrs. Jennie Matthews of Empire; two sons, John Fullum of Salem and Floyd of Miami, Ariz.; 15 grandchildren and 25 great-grandchildren.

## Callahan Infant

Mary Beth Callahan, infant daughter of James and Donna Cocco Callahan of 240 E. 1st St., Greensburg, Ind., died Friday, 36 hours after birth.

Besides her parents, she is survived by a sister, Jill Elaine; maternal grandparents, Mr. and Mrs. Dominic Parolanti of Salem; and paternal grandparents, Mr. and Mrs. Clifford Callahan of Columbiana.

Graveside funeral service was held at 11 a.m. today at Grandview Cemetery with the Rev. Fr. J. Richard Gaffney, pastor of St. Paul Church, officiating.

## Oliver Sponseller

CANFIELD — Oliver J. Sponseller, 53, of 224 High St., died suddenly at his home at 6:30 p.m. Friday following a heart attack.

Born June 24, 1906, in Columbiana, he was a son of Harry B. and Fannie Whittenberger Sponseller.

He moved to the Canfield area 30 years ago. An employee of the United States Chamber of Commerce for the past two years, he had previously been a Chevrolet dealer in Canfield. He was a member of the Canfield Methodist Church, a graduate of Columbiana High School, and he had attended Carnegie Institute of Technology.

He was a past master of Allen Lodge No. 276, F & A. M. of Columbiana, the Scottish Rites of Youngstown and Cleveland, the Al Koran of Cleveland and was an honorary member of the Canfield Fire Department and was a member of the Youngstown Power Squadron.

He is survived by his wife, the former Grace B. Fellers, whom he married Aug. 21, 1928; two sons, Ronald J. of Hubbard, and Vernon C. of Olmstead Falls; a sister, Pauline Holdgate of Cortland; and one grandchild.

Funeral arrangements are incomplete, but friends may call at the Williams Funeral Home Sunday from 2 to 4 and 7 to 9 p.m.

## Nehru

that Khrushchev may visit New Delhi.

Prime Minister Nehru told reporters Friday the Soviet statement on the dispute issued through the news agency Tass was "a very fair statement" and also a "very unusual statement for the Soviet government to sponsor." Moscow carefully refrained from taking sides.

While adopting a more moderate tone in pressing their claims to the disputed frontier territory, India and Peiping are still holding to their historical rights to ownership. They left the door open for negotiations, however.

## Youth Bound Over For Theft of Auto

A 20-year-old Salem youth was bound over to the grand jury today by Mayor Harold Smith.

Bond for Ernest L. Wilson of RD 1 was set at \$2,000 after he pleaded guilty to charges of auto theft. Two juvenile accomplices are being held by juvenile authorities.

"Diligent police work" was responsible for the arrest of the trio, Police Chief Martin Lutsch said today. They were picked up yesterday, just a week after they took a car owned by Mrs. Hazel M. Gotthardt of 40 Lisbon St., Leetonia, from the First National Bank parking lot.

The auto was found abandoned on W. Wilson St. the following day by city police.

A sawed-off shotgun was seized by police when they arrested Wilson. The trio wiped all the fingerprints off the car when they left it, police said.

## LEETONIA

## Shower For Recent Bride To Be Held

LEETONIA — A kitchen shower honoring Mrs. James Rowan (Sandra Kliner) will be held by members of the Rebekah Lodge Tuesday evening following the regular lodge meeting.

Mrs. Rowan, whose marriage was an event of Aug. 30, is the daughter of Mr. and Mrs. Elmer Kliner of Elm St.

Mr. and Mrs. Harry Fast recently visited her brother and sister-in-law Mr. and Mrs. Harry Beiling at Gardener, Mass.

Miss Gussie Ginther has returned to Chicago Heights, Ill., after spending the summer with her father, Frank Ginther, and sister Miss Hazel Ginther. She is a teacher in the Chicago Heights Junior High.

"GOD'S CONCERN For All People" will be the lesson subject at St. Paul's Lutheran Church Sunday at 9:30 a.m.

Worship service will be held at 10:45 a.m. with the Rev. T. P. Laughner bringing the message, "A Second Chance."

An invitation is extended to all who are interested in becoming members of St. Paul's Lutheran Church to meet with the pastor at 9:30 a.m. Sunday mornings. New members will be received on Communion Sunday, Oct. 4.

A WIENER ROAST for the reorganization of the Cub Scouts will be held Wednesday at 6:30 p.m. at Wick Park on the north side of town. All parents who wish to see Cub Scouts to continue as an organization in Leetonia are urged to attend.

The Brilliant Missionary Society of St. Paul's Lutheran Church will meet Monday evening at the home of the president, Mrs. Joseph Woodward, 370 N. Main St. in Columbiana. The topic, "By Way Of Our Offerings" will be presented by Mrs. Alvin Fire.

## Subway

(Continued from Page One)

city's understrength force has already been increased, and plans are underway to enlarge it further.

Police said the woman victim of the attack, a 44-year-old married housewife, was seized shortly before midnight Thursday as she entered a Brooklyn subway station. She was on her way to work in an all-night beauty parlor in Times Square.

The woman said she was driven to a converted storefront apartment in the heavily Negro Bedford-Stuyvesant section of Brooklyn, where all four youths raped her.

They punched her several more times, she said, then blindfolded her and released her nearby. She hailed a cab, which took her to a police station. She led police to the apartment, and three youths were arrested. A fourth was sought.

The three were charged with kidnapping, rape, and robbery. The youths reportedly took \$30 from the woman's purse.

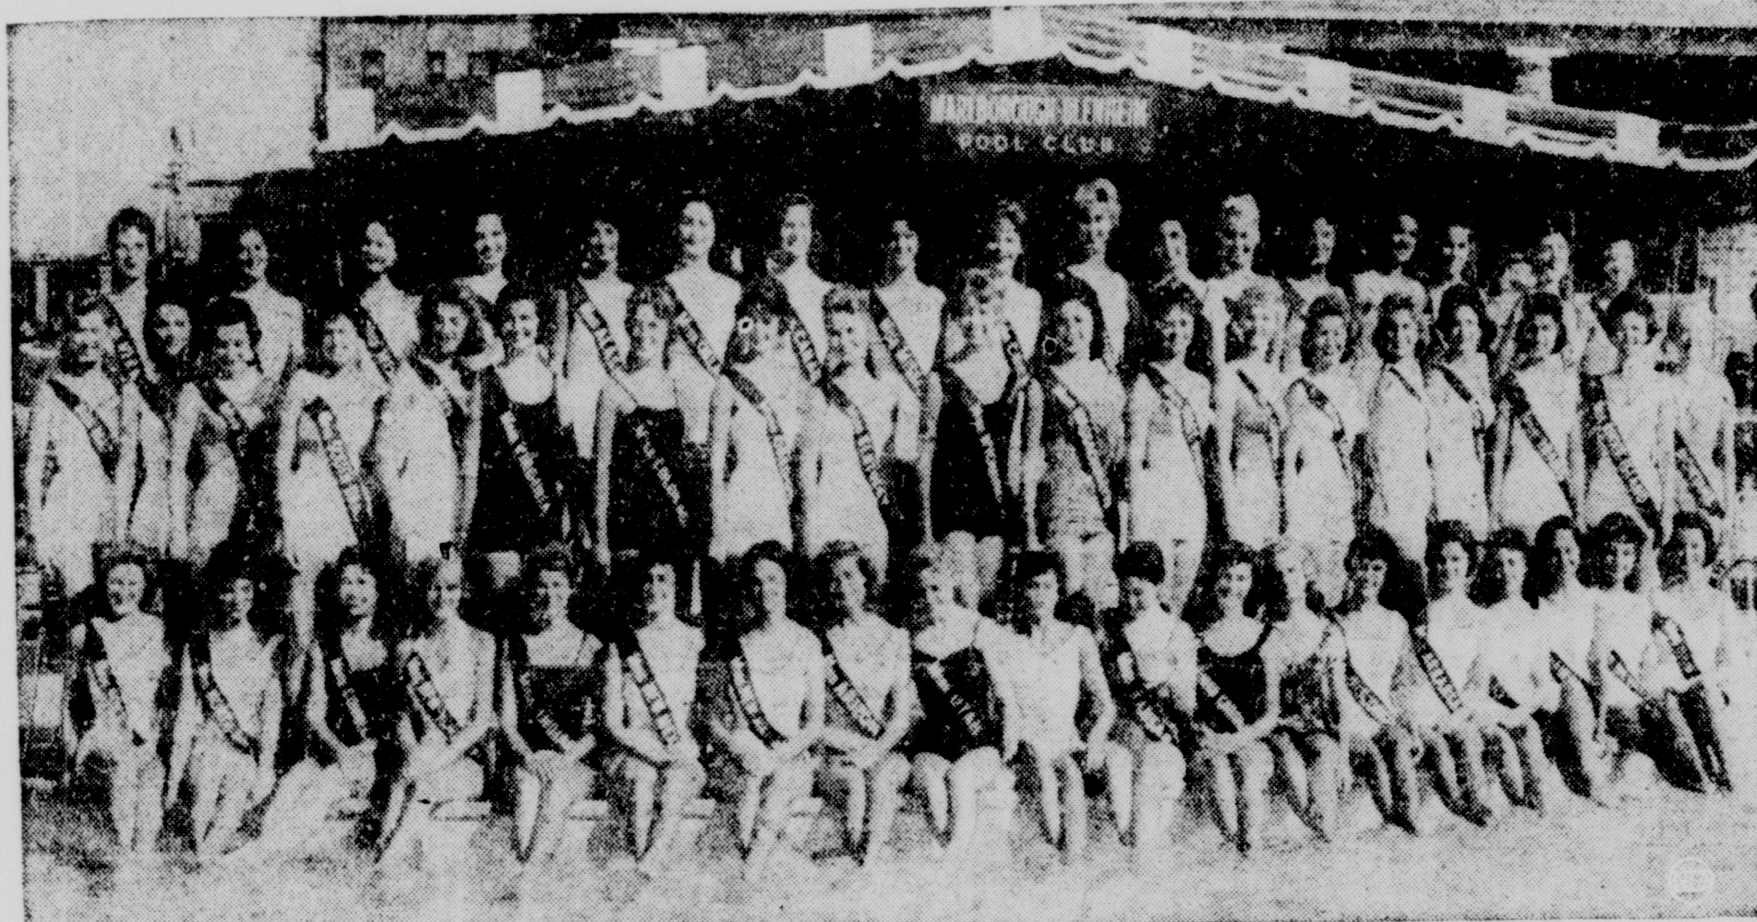

Held in \$25,000 bail each, were Jimmy R. Lunsford, 17; Alexander Williams, 18; and Daniel Belaman, 20, all of Brooklyn.

## Bomb Misfires In Church, Damage Light

BOISE, Idaho (AP)—A home-made bomb misfired in a Seventh-Day Adventist church here Friday night, but it scattered shotgun pellets, gunpowder and pieces of glass around a room in which 25 people were attending a worship service. They escaped injury.

The dynamite primer exploded, but it failed to set off the gunpowder. Sheriff Myron Gilbert said the container appeared to be a beer bottle.

Officers recovered about the same amount of gunpowder as would be found in a shotgun shell.

The container was draped just inside an open window of the church, 12 feet from the floor. It was attached to two strands of blasting wire strung 30 feet around the corner of the building. Officers said the device apparently was set off by touching each strand of wire to opposite ends of a flashlight battery.

Sheriff Gilbert said teen-agers could have learned the trick in a high school physics class.

He doubted that any religious ill-will was a factor in the attempted bombing. The sheriff said members of the church heard juvenile voices outside the window just prior to the explosion.

Officers believe the attempted bombing was another incident of violent vandalism. Last week, several giant fire crackers or dynamite caps were touched off in this southwestern Idaho city. The church is just outside the city limits.

Damage to the church was minor, officials said.

## Rocket

(Continued from Page One)

were planning to send up a 375-pound satellite to go into orbit around the moon some time in October.

The Soviet scientists did not disclose the nature of the rocket's sources of energy.

The Soviet Union's first cosmic rocket, named Mecha (Dream), was launched Jan. 2 and the Russians said it whizzed past the moon two days later.

They said it finally rocketed out into space and went into orbit around the sun—believed to be the solar system's first artificial planet.

The Russians now have announced two moon probes. There is no indication whether there have been others that were not as successful.

The U.S. Pioneer IV also is orbiting around the sun. It shot past the moon on March 4 and is now circling the sun.

## Ruritans Seek Light For Road Junction

BELOIT — The Bloit Ruritan club is cooperating with Damascus and North Georgetown Ruritans in an attempt to have the State Highway Department install a traffic signal light at the intersection of Routes 62 and 173 in Westville.

At this week's meeting of the Bloit Club, held in the North Benton Presbyterian Church, club members heard a talk by the Rev. Clarence Sekerak, pastor of the East Goshen Friends Church. He told of his trip to the Holy Land and Orent and showed slides.

The next meeting will be held Oct. 14 at Smith grange hall when new officers will be elected.

## CITED AFTER MISHAP

LISBON — Carl E. Spack, 30, of Salem RD 3 is expected to have a hearing today before Mayor John Todd for failing to stop within the assured clear distance ahead after his coal truck struck a parked truck on N. Market St. at 6:40 a.m. today.

Spack's vehicle crashed into a truck owned by Rollin Leggett of 288 W. Pine St.

Extensive damage was done to the right front fender and cab of the Spack truck, police said. Spack said he failed to see the parked truck because of fog.

## LEAVES BOND IN LISBON

LISBON — James A. Pogue, 29, of Midland, Pa., forfeited a \$15 bond in Mayor John Todd's court Friday when he failed to appear for a hearing on a charge of following too close. He was cited by the State Highway Patrol.

New Jersey has 463 state parks and forests.

## Dems' Farm Policy Session Dominated By Party Affairs

KANSAS CITY, Mo. (AP) — It's billed as a farm policy meeting, but party affairs are tending to dominate the Midwest Democratic Conference here.

State chairmen, vice chairmen, and national committeemen of 14 states make up the membership of the conference. They were to engage today in a full-scale panel discussion of the knotty farm problem. Then they'll draw up recommendations for the party's 1960 farm platform.

But most of the hotel-room chatter has focused on presidential aspirants and a piece of advice from President Harry S. Truman recently gave Democratic National Chairman Paul Butler.

"I told him the business of the chairman is to keep the party together and not tear it apart," Truman said.

Truman told of a "frank discussion" he had with Butler recently in commenting at a news conference Friday on the controversy swirling around the chairman.

Butler recently touched off demands that he resign by criticizing the Democratic congressional leadership. He has particularly drawn the ire of some Southerners.

"Nobody should be read out of the party," Truman said. "His (Butler's) business is to keep Democrats in line so we can get all the votes we can."

Butler is not here. Officials said he was invited, but they noted he has attended only one Midwest Conference in the past.

## Monkey Business Going on at Columbus

COLUMBUS, Ohio (AP) — There's some monkey business going on around here.

Literally.

Starting today, and through the next eight months, a total of about 196,000 monkeys will be flown into Columbus.

The first shipment of 400 was scheduled to arrive today from the Philippine Islands. About 8,000 a week will arrive thereafter.

The monkeys will be distributed to drug houses throughout the country for use in biological research. In exchange, the firms will send drugs to the islands.
